

Field #	Field Name	Instruction	Information
1	Project Name *	Enter a descriptive title for the project.	Brooklyn Bridge Gateway: Tillary/Adams Street Area Reconstruction
2	Was a TIGER I application submitted for this project? *	Please use the drop down list provided to identify whether or not an application was previously submitted for this project under the TIGER I Discretionary Grant program, and, if so, whether the TIGER II Discretionary Grant application is expected to be substantially similar or materially different from the previous application.	Yes, substantially similar
3	DUNS *	Please enter your 9-digit DUNS (Data Universal Numbering System) number	780731170
4	Applicant / Organization Name *	Please enter the name of the Applicant/Organization	New York City Department of Transportation
5	Applicant / Organization Contact Person *	Please enter the business contact information for the Applicant/Organization. This will be the person that the DOT will communicate with in regard to the project identified in this pre-application.	Amir Rasty
6	Applicant / Organization Contact Business Phone Number *	Please enter a 10-digit phone number XXX-XXX-XXXX. This will be the phone number that the DOT will use in order to communicate with the Applicant/Organization with regard to the project identified in this pre-application.	212-839-6947
7	Applicant / Organization Contact Business E-mail *	Please enter a business e-mail address. This will be the e-mail address that the DOT will use in order to communicate with the Applicant/Organization with regard to the project identified in this pre-application.	arasty@dot.nyc.gov
8	Applicant / Organization Contact Business Street Address *	Please enter business street address information. This will be the address that the DOT will use in order to communicate with the Applicant/Organization with regard to the project identified in this pre-application.	55 Water Street (6-12E)
9	Applicant / Organization Contact City *	Please enter the City associated with the street address.	New York
10	Applicant / Organization Contact State *	Please select the state or territory.	New York
11	Applicant / Organization Contact Zip *	Please enter the 5-digit zip code.	10041
12	Primary Applicant Type *	Select the applicant type for the "Primary" or "Lead" applicant the drop down list. Choices are: State government, local government, U.S. territory, Tribal government, transit agency, port authority, metropolitan planning organization, or other unit of government	Local government
13	Co-Applicant Type	Select the applicant type for the co-applicant, if applicable, from the drop down list.	N/A
14	Is the Project Multimodal? (If yes, select "Yes" as well as identify the relevant modes in the following three fields. If no, select "No" and make a selection in only the "Primary Project Type" field). *	If the project encompasses more than one mode of transportation, please answer "Yes." You will have the opportunity to identify these modes in additional fields.	Yes
15	Primary Project Type *	Please identify the "Primary" mode of the project. Applicants that are only applying for either TIGER II Planning or HUD Community Challenge Planning Grants should enter N/A as they will have the opportunity to identify planning grant type(s) in later fields.	Pedestrian
16	Secondary Project Type	Please identify the "Secondary" mode of the project. Applicants that are only applying for either TIGER II Planning or HUD Community Challenge Planning Grants should enter N/A as they will have the opportunity to identify planning grant type(s) in later fields.	Bicycle

17	Additional Project Type Information	Please identify any additional mode that is not encompassed by the "Primary" and "Secondary" project types. Applicants that are only applying for either TIGER II Planning or HUD Community Challenge Planning Grants should enter N/A as they will have the opportunity to identify planning grant type(s) in later fields.	Vehicular Traffic
18	Is this pre-application for a Planning Grant? *	Please select yes if this pre-application is for a "Planning Grant."	No
19	If Planning Grant, please select the related funding opportunity.	Please select whether this pre- application is for a "TIGER II Planning Grant," a "HUD Community Challenge Planning Grant," or a combination of both.	No
20	Primary Planning Grant Type	Please identify the "Primary" mode/type of the planning activity. Applicants that are only applying for TIGER II discretionary grants for capital investments should enter N/A as they will have entered the mode in previous fields.	N/A
21	Secondary Planning Grant Type	Please identify the "Secondary" mode/type of the planning activity. Applicants that are only applying for TIGER II discretionary grants for capital investments should enter N/A as they will have entered the mode in previous fields.	N/A
22	Additional Planning Grant Type	Please identify any additional mode/type that is not encompassed by the "Primary" and "Secondary" planning grant types.	N/A
23	Additional Planning Grant information	If necessary, please briefly enter any additional information about the type of planning grant to be requested.	N/A
24	Project Description *	Describe the project in plain English terms that would be generally understood by the public, using no more than 50 words . For example, "The project will replace the existing bridge over the W river on Interstate-X between the cities of Y and Z" or "the TIGER II Planning Grant will fund planning activities for streetcar service from location X to location Y." Please do not describe the project's benefits, background, or alignment with the selection criteria in this description field.	The intersection of Tillary and Adams Streets is at the entrance to the Brooklyn Bridge, the primary entrance to the Borough. Full street reconstruction, permanent bicycle lanes, improved bus stops and reconstructed medians and walkways will improve safety, reduce vehicle idling, encourage transit use and greatly enhance livability.
25	Total Amount Requested from TIGER II Funds *	Enter the total amount of TIGER II discretionary funds being requested by the project represented in this pre-application in whole US dollars. For example, 3,000,000 would represent three million. Dollar signs are not necessary.	\$21,978,400
26	Total Project Cost *	Enter the total cost of the project.	\$41,903,000 (of which construction costs = \$25,497,100)
27	Cities Impacted by Proposed Project *	Enter the cities in which the project is located. Please separate by comma if more than one.	New York
28	Counties Impacted by Proposed Project *	Enter the counties in which the project is located. Please separate by comma if more than one.	Kings
29	Primary Proposed Project State *	Select the State/Territory that is the primary or lead location for the project.	New York
30	Additional Project State (1)	Select any additional affected State/Territory.	N/A
31	Additional Project State (2)	Select any additional affected State/Territory.	N/A
32	Additional Project State (3)	Select any additional affected State/Territory.	N/A
33	Additional Project State (4)	Select any additional affected State/Territory.	N/A
34	Additional Project State (5)	Select any additional affected State/Territory.	N/A
35	Additional Project State (6)	Select any additional affected State/Territory.	N/A
36	Primary Congressional District *	Select the congressional district that is the primary or lead location for the project.	10
37	Additional Congressional District (1)	Select any additional affected congressional district.	12
38	Additional Congressional District (2)	Select any additional affected congressional district.	N/A

39	Additional Congressional District (3)	Select any additional affected congressional district.	N/A
40	Additional Congressional District (4)	Select any additional affected congressional district.	N/A
41	Additional Congressional District (5)	Select any additional affected congressional district.	N/A
42	Additional Congressional District (6)	Select any additional affected congressional district.	N/A
43	Additional Congressional District (7)	Select any additional affected congressional district.	N/A
44	Additional Congressional District (8)	Select any additional affected congressional district.	N/A
45	Additional Congressional District (9)	Select any additional affected congressional district.	N/A
46	Additional Congressional District (10)	Select any additional affected congressional district.	N/A
47	Type of Jurisdiction *	Please select "urban" if the project is located in an Urbanized Area, as such term is defined by the Census Bureau, and "rural" if the project is not located in an Urbanized Area, as such term is defined by the Census Bureau. If a portion of the project is in an Urbanized Area and a portion of the project is not in an Urbanized Area, please select "urban/rural". For Census 2000, the Census Bureau defined an Urbanized Area (UA) as an area that consists of densely settled territory that contains 50,000 or more people. Updated lists of UAs are available on the Census Bureau Web site. Urban Clusters (UCs) will be considered rural areas for purposes of the TIGER II Discretionary Grant program.	urban
48	Economically Distressed Area *	Please select "yes" if all or a material portion of the project is located in an Economically Distressed Area as defined by section 301 of the Public Works and Economic Development Act of 1965, as amended (42 U.S.C. 3161). While Economically Distressed Areas are typically identified under the Public Works and Economic Development Act at the county level, for the purposes of this program DOT will consider regions, municipalities, smaller areas within larger communities, or other geographic areas to be Economically Distressed Areas if an applicant can demonstrate that any such area otherwise meets the requirements of an Economically Distressed Area as defined in section 301 of the Public Works and Economic Development Act of 1965. Please select "no" if the project is not located in an Economically Distressed Area.	No
49	Federal Wage Rate Certificate *	Please select "yes" if the application will include the required certification, signed by the applicant, stating that it will comply with the requirements of subchapter IV of chapter 31 of title 40, United States Code (Federal wage rate requirements), as required by the FY 2010 Appropriations Act), and "no" if the application will not provide this certification.	Yes
50	Requesting TIGER II TIFIA Payment *	Please select "yes" if the application will be for a TIGER II TIFIA Payment and "no" if the application will not be for a TIGER II TIFIA Payment.	No
51	NEPA Status *	Please select from the drop down menu the status of the National Environmental Policy Act (NEPA) Review for your project. If NEPA has not been completed, please indicate what NEPA document is expected and provide a brief summary in the NEPA comment box below detailing the progress of the NEPA review and anticipated completion date.	No

52	NEPA Comment	As stated in the instructions for the NEPA Status field, if NEPA has not been completed (any selection other than "NEPA Complete" was chosen), please indicate what NEPA document is expected and provide a brief summary in the NEPA comment box detailing the progress of the NEPA review and note the anticipated completion date.	The NEPA Assessment Checklist has been completed and a NEPA Programmatic Categorical Exclusion is expected. The NEPA review is anticipated to be completed in early 2011.
53	Project has secured 20% matching funds *	Please provide an assurance that local matching funds to support 20 percent or more of the costs of the project are identified and committed by selecting yes or no from the drop down.	Yes
54	20% matching funds comment	Please describe, in 50 words or less, the sources of such matching funds. Applicants for projects located in rural areas do not need to provide matching funds, but should respond to this request to the extent matching funds would be provided.	\$5,494,600 of matching funds will be provided by the Capital Projects Fund of the City of New York.
