

2015 TRUCK ROUTE MAP ERRATA SHEET

The New York City Department of Transportation is currently in the process of updating the citywide truck route map with plans to roll out a fully updated edition later this year. This process has revealed some inaccuracies that warrant immediate public notification ahead of the publication of the next truck route map as well as updates to [Section 4-13 of the NYC Traffic Rules](#). Please see important updates below and inform the NYC DOT about any inaccuracies or omissions you may notice by emailing truckroute@dot.nyc.gov or calling 212-839-6670.
