UNIVERSITY PLACE
SHARED STREET

- The reversal of University Pl to one-way southbound between 14th-13th Streets occurred in conjunction with Union Square West closures between 14th-15th Streets and 16th-17th Streets.

- The work was undertaken in anticipation of the L Train shut down.

- The southbound reversal allows traffic to exit 14th Street as part of the “Transit and Truck Priority Street” plan.

- University Pl remains one-way northbound from W.4th Street to 13th Street.
A “Shared Street” is a roadway designed for slow travel speeds where pedestrians, cyclists, and motorists all share the right of way.

Vehicles are advised to drive 5MPH and the roadway is flush from building line to building line without the typical curb line grade separation.

Shared streets can be designed and managed in a variety of different ways to balance the needs of all users while enhancing the safety, aesthetics, and overall experience of the street.
