

CONDITIONS FOR THE INSTALLATION OF A TEMPORARY ELECTRIC TAP IN A LAMPPOST

- 1. Your organization will bear all costs in the installation of the temporary electric tap and energy cost at location in question.
2. Your organization is responsible to make the necessary financial arrangements with Con Edison for energy cost. Please contact Con Edison Customer service at 1-800-75-CONED (1-800-752-6633) for detail.
3. Your organization is responsible for any damage caused by this tap to street lights and street lighting system. The wiring to the street light luminaire shall not be disconnected at any time.
4. For the public safety, temporary wiring shall be installed so as not to cause a tripping hazard to the public. All applicable safety code must be adhered.
5. All work must be done by a licensed New York City Electrician.

Listed below for your information are some qualified electrical contractors:

Table with 4 columns: Contractor Name, Phone Number, Contractor Name, Phone Number. Includes Hellman Electric, Verde Electric, Windsor Electrical, Welsbach Electric, EJ Electric, and Metro Electrical.

- 6. You agree to hold the City harmless for any situation arising out of the above.
7. You will contact Division of Street Lighting, (212) 839-3322, at least forty-eight (48) hours prior to commencing work.
8. The signature of a duly authorized officer of your organization, at the foot hereof and the return to The Division of Street Lighting, 34-02 Queens Boulevard, Long Island City, New York 11101, will constitute your consent to the foregoing.
