Stanton Street Summer Sundays will be a family-friendly event that features the best of the Lower East Side. On July 11, 18 and 25 from noon to 5:00 pm, Stanton Street will be closed to traffic from Allen to Ludlow Streets. Stop by for outdoor activities, a little music, sidewalk cafes and an oasis of fun on the Lower East Side. Last year's event was a great success, featuring skateboarding workshops, face painting, grilling demonstrations, food tastings, historic and cultural tours, giveaways and lots more.
