Summer Streets is an annual celebration of New York City's most valuable public space – our streets. On three consecutive Saturdays in the summer, nearly seven miles of NYC's streets are opened for people to play, walk, bike, and breathe. Summer Streets provides more space for healthy recreation and encourages New Yorkers to use more sustainable forms of transportation. The event is part bike tour, part walking tour, part block party—a great time for exercise, people watching, or just enjoying summer mornings. DOT continues to bring fun activities to the Summer Streets lineup, with a 160-foot-long zip line, a 25-foot climbing wall provided by REI, football and other sports-themed activities, DOT's popular free helmet fittings and dozens of free offerings ranging from exercise to dance to yoga classes.
