OFFICE OF THE MAYOR  
NEW YORK, NY 10007

Summer 2012

Dear Friends:

I am happy to share with you the 2012 edition of *New York City's Guide to Summer Fun*.

We all know that New York is the greatest city in the world year round, but it is during the summer when the Big Apple really comes to life. New Yorkers bring their usual creativity and spirit to getting the best out of the summer months. From our boardwalks and beaches to our parks and museums, there is always something exciting happening.

Across the city, organizations are hosting fun events and activities that people of all ages can enjoy. And whether you are looking for the nearest public pool, a children's program, or an outdoor performance in your borough, this guide will help you find it.

On behalf of all New Yorkers, thank you to the Department of Youth and Community Development and its partners for creating this fantastic guide. I hope you find it helpful as you have a safe, healthy, and happy summer!

Sincerely,

A handwritten signature in black ink that reads "Michael R. Bloomberg".
