As a member of the American Association of Museums, the Derfner Judaica Museum + The Art Collection at the Hebrew Home at Riverdale is committed to displaying its expansive fine art collection throughout the public areas of the campus. The art collection is comprised of modern art, large-scale sculpture, and ceremonial art from Africa and the Americas. It also houses the Elma and Milton A. Gilbert Pavilion Gallery which features rotating exhibitions. The Derfner Judaica Museum exhibits art and artifacts from Jewish life and culture, and its collection includes objects in wood, silver and ivory, varying in style and date from the 18th to the 20th century. The 19-acre campus also features a sculpture garden which overlooks the Hudson River.

### ***Edgar Allan Poe Cottage***

Grand Concourse and East Kingsbridge Road. 718-881-8900

America's first great literary master lived in this farmhouse at the end of his life, and today, the small, modest home looks very much as it did when Poe lived here 1846-1849. While living at the cottage, Poe wrote *Annabel Lee*, *Ulalume*, *The Bells* and *Eureka*.

Administered by The Bronx County Historical Society since 1975, the cottage is restored to its original appearance, with authentic period furnishings. A film presentation and guided tour help bring Poe Cottage to life. Visitors can see the bed in which Virginia died and the rocking chair Poe used. In the kitchen, the dishes on the table appear as if the great author had just stepped out for air. The house tour is complemented by an award-winning video that provides insight into the writer and the man. General Admission \$3. Students/Seniors/Children \$2. Tours by appointment only.

### ***Maritime Industry Museum at Historic Fort Schuyler***

6 Pennyfield Avenue, Bronx, NY, located on the SUNY Maritime College campus.

718.409.7200, Email: pperez@sunymaritime.edu

If there is a bonafide case of "labor of love" for a worthwhile endeavor, the Maritime Museum at Fort Schuyler must be recognized as a prime example. The museum is funded, staffed, operated and maintained strictly through volunteer support and monetary contributions. Many Maritime College cadets volunteer time to serve as museum tour guides and provide exhibit construction and upkeep, while alumni participate in periodic "work parties" to do their share...Admission and parking are free.
