**WNYF SUBSCRIPTION PROCEDURE**

For over 80 years, *WNYF* has been an authoritative source of training for the FDNY, serving as an official forum for experienced members to pass on knowledge and documenting New York City's most historic fires. In the past, subscribing to *WNYF* was a source of pride for each member, and it was a way to support the institution of *WNYF* to ensure that experienced FDNY authors could continue to have a platform to pass on knowledge and insight gained from years on the fire floor. In order to preserve this tradition, *WNYF* needs the support of **each and every member in the firehouse**.

Company Commanders are requested to solicit the support of **all assigned members** of their units for *WNYF* magazine, the official training publication of the FDNY. The in-firehouse subscription rate (print-only) for Department members for one year is \$16.

A subscription form will be mailed to Company email accounts in the coming weeks. Please complete and return with one check or money order. The subscription year will start with the 2022 Spring issue.

**Subscription Procedure:**

- Commanding Officers should check Company email boxes for the 2022 In-Firehouse Subscription Form.
- Print and complete form and submit with a single check or money order only, payable to FDNY Foundation. Cash will not be accepted.
- Send completed subscription form and check, payable to FDNY Foundation, to the Websites and Publications Unit, Room 8E-19, 9 MetroTech Center, by March 1, 2022, to ensure delivery of the Spring issue.

**Distribution Procedure:**

- When *WNYF* is published, it will be available for pickup by Division messenger at 9 MetroTech Center in the hallway outside the mailroom on the first floor. Divisions will be responsible for pickup and distribution to Companies.
- If an assigned member is detailed elsewhere or transferred during the course of the year, it shall be the responsibility of the Commanding Officer of the unit at which the member originally subscribed to forward such member's copy through the bag to the member's detailed or new assignment.
