

The C-22 Certificate of Fitness for Supervision of Spray Painting is being replaced by the C-30 Certificate of Fitness for Supervision of Flammable and Combustible Finishing Operations

The C-30 Certificate of Fitness test will be available on 7/23/2012.

- The C-22 will **no longer be renewable** on **08/01/2012**. C-22 certificates is valid until expiration date. Although the current C-22 certificates are valid until expiration, the C-22 C of F holder has to comply with NYC Fire Code 2008 edition requirements.
- Both current C-22 holders and new C-30 applicants should review the NEW C-30 Study Materials (see bottom of this page) to prepare for the examination. It is critical that you read and understand this study material to help increase your chance of passing this examination.
- Only those individuals who are certified for the C-30 Certificate of Fitness will be exempt from having to obtain a separate C-92 Certificate of Fitness for Storage, Handling and Use of flammable/combustible liquids. **This exemption is for SPRAY OPERATIONS ONLY.**
