

FDNY 2010 Symposium

March 15 & 16, at FDNY Training Academy

SPECIAL OPERATIONS

Two-day symposium includes books, tour of Training Academy, breakfast and lunch

Learn from the Bravest, FDNY's Chief and Company Officers, who currently operate at fires, building collapses and haz-mat incidents throughout New York City. Don't miss out on this invaluable training.

You will learn:

- * Collapse Operations--Rescue Planning
- * Confined Space Operations
- * Trench Rescue Operations
- * Hazardous-Materials Field Operations and Case Studies
- * Terrorism Preparedness and Developing Exercises
- * Paramedic Rescue Procedures
- * Safety Command Procedures to Reduce Firefighter LOD Deaths and Injuries, including the Accident Reduction Program

Who Should Attend:

Fire Chiefs, Company Officers, Firefighters,
Emergency Medical Personnel,
Those interested in improving their fire and rescue skills
