NEW YORK CITY FIRE DEPARTMENT  
CITYWIDE JOB VACANCY NOTICE

CIVIL SERVICE TITLE  
Computer Specialist (Software) – Level I

TITLE CODE NO.  
13632

OFFICE TITLE  
Oracle Applications Developer

SALARY  
$69,097 - Minimum salary for full-time employees with less than 2 years of City service  
$79,462 - Minimum salary for full-time employees who have 2 years of City service

BUREAU/DIVISION/UNIT  
Technology Development & Systems/Programming Unit

LOCATION  
9 MetroTech Center  
Brooklyn, New York

JOB DESCRIPTION:

The Oracle Applications Developer for the Programming Unit will develop/support/administrate IT systems and applications relating to the World Trade Center (WTC) Medical Monitoring and Treatment Program. Participate in all phases of the system development life cycle including performing systems analysis, requirements definition, database design, preparation of scopes of work, and project plans. Prepare technical specifications and perform the necessary programming tasks for browser based applications development. Projects will involve the design, development, implementation and support of complex Oracle based applications using Oracle Development tools.

QUALIFICATION REQUIREMENTS:

1. A baccalaureate degree from an accredited college, including or supplemented by 24 semester credits in computer science or a related computer field and two years of satisfactory full-time computer software experience in computer systems development and analysis, applications programming, database administration, systems programming, data communications, including one year in a project leader capacity or as a major contributor on a complex project; or

2. A four-year high school diploma or its educational equivalent and six years of satisfactory full-time computer software experience as described in “1” above, including one year in a project leader capacity or as a major contributor on a complex project; or

3. Education and/or experience equivalent to “1” or “2” above. College education may be substituted for up to two years of the required experience in “2” above on the basis that 60 semester credits from an accredited college is equated to one year of experience. A master’s degree in computer science or a related computer field may be substituted for one year of the required experience in “1” or “2” above. However, all candidates must have at least a four-year high school diploma or its educational equivalent and at least one year of satisfactory full-time experience in a project leader capacity or as a major contributor on a complex project.

PREFERRED SKILLS:

Well-versed in Oracle development tools and programming languages such as JAVA, Struts, JSP, PL/SQL, OBIEE and XML with J2EE and EJB technology. Working experience in JDeveloper or MVC development techniques and Oracle Database. Working experience in Oracle Webcenter a plus. Good written and verbal communication skills.

TO SUBMIT RESUME FOR CONSIDERATION, PLEASE APPLY VIA NYC.GOV/CAREERS OR CITY EMPLOYEES MUST APPLY VIA EMPLOYEE SELF SERVICE (NYC.GOV/ESS).
