

**NEW YORK CITY FIRE DEPARTMENT  
CITYWIDE JOB VACANCY NOTICE**

<b>CIVIL SERVICE TITLE</b> Computer Specialist (Software) – Level II	<b>TITLE CODE NO.</b> 13632
<b>OFFICE TITLE</b> Oracle Java Developer	<b>SALARY</b> \$77,157-Minimum salary for full-time employees with less than 2 years of City Service \$88,730-Minimum salary for full-time employees with more than 2 years of City Service
<b>BUREAU/DIVISION/UNIT</b> Technology Development & Systems/Support-BASS	<b>LOCATION</b> 9 Metro Tech Center Brooklyn, New York

**JOB DESCRIPTION:**

Under general direction the selected candidate will serve as the Oracle JAVA Developer responsible for developing, supporting and administering the IT systems for the Business Application System/Support (BASS). Responsibilities will include participation in all phases of the system development life cycle, which includes performing systems analysis, requirements definition, database design, preparation of scopes of work, and project plans; prepare the technical specifications and perform the necessary programming tasks for applications development and projects will involve the design, development, implementation, and support of complex Oracle based applications using Oracle Development tool.

**QUALIFICATION REQUIREMENTS:**

1. A baccalaureate degree from an accredited college, including or supplemented by 24 semester credits in computer science or a related computer field and two years of satisfactory full-time computer software experience in computer systems development and analysis, applications programming, database administration, systems programming, data communications, including one year in a project leader capacity or as a major contributor on a complex project; or
2. A four-year high school diploma or its educational equivalent and six years of satisfactory full-time computer software experience as described in "1" above, including one year in a project leader capacity or as a major contributor on a complex project; or
3. Education and/or experience equivalent to "1" or "2" above. College education may be substituted for up to two years of the required experience in "2" above on the basis that 60 semester credits from an accredited college is equated to one year of experience. A master's degree in computer science or a related computer field may be substituted for one year of the required experience in "1" or "2" above. However, all candidates must have at least a four-year high school diploma or its educational equivalent and at least one year of satisfactory full-time experience in a project leader capacity or as a major contributor on a complex project.

**PREFERRED SKILLS:**

Must be well-verse in Oracle development tools and programming language such as JAVA, JSF, JSP, PL/SQL, BPM, OBIEE and XML with J2EE and EJB technology. Knowledgeable in Oracle ADF, weblogic, PL/SQL and database a plus. Good written and Verbal communication skills.

**TO APPLY:**

This position is open to applicants who filled for Exam #6020 (Open Competitive) or #6514 (Promo). Applicants who filled for an exam will be required to produce a copy of their Order Confirmation Receipt for verification if contacted for an interview. If you do not include this information in your cover letter, you will not be considered for an interview.
