

# Nursing as a Career: Explore the Possibilities

## SAVE THIS DATE:

**Date:** Tuesday, February 25, 2003

**Time:** 10:00 AM - Workshop

11:00 AM-2:00 PM - College Tables

**Location:** EMS Academy Ft.Totten

**Mari Moriarty, M.A., RN, from the VNSNY will lead a workshop to help you explore what you need to do to become a Registered Nurse.**

**This workshop is for you if you want to:**

Find out about the different educational programs that lead to RN license.

Research what requirements are necessary for entry into a nursing program.

Meet representatives from local nursing programs

Have questions answered about your specific situation

Review your transcript with school representatives

Learn more about local nursing programs

If you have any questions regarding the workshop, contact Mary Elizabeth Rohan , FDNY, or Jacqueline Merveil, FDNY @ Fort Totten (718) 352-7001.

Take the first step in pursuing your possibilities.

**This information session has been arranged to help you take your first step towards going back for your nursing degree.**
