Fair Housing in Practice workshop provides representatives of ownership entities and rental property owners with the tools needed to avoid discriminatory housing practices. This workshop will discuss fair housing laws; provide an overview of HPD marketing guidelines and tenant rights. The Fair Housing in Practice workshop will improve your business practices and policies.

Topics Include:

- What you can and cannot ask a potential tenant/buyer during an interview;
- What a useful and legal rental application contains;
- Establishing a consistent approach to reviewing applicants;
- Reasonable accommodations for the disabled;
- HPD guidelines for advertising and lotteries.
