City of New York Mayor's Office of Media and Entertainment

Code of Conduct

For Motion Picture & Television Production

The Motion Picture Association of America, Inc. and its member companies support the City of New York Mayor's Office of Media and Entertainment's Code of Conduct regarding the production of motion picture and television programs and series, including termination of permits by the Mayor's Office of Media and Entertainment or New York Police Department for gross violations of the code, including applicable local and state law.
