

Greener, Greater Buildings Plan Digest, Vol. 25

IMPORTANT UPDATE (sent 4/30/13)

The City has been informed by the US EPA that Portfolio Manager will be unavailable at least through the end of this week. The EPA is working to address this issue as quickly as possible. Please continue to check the site for updates, <https://www.energystar.gov/istar/pmpam>. The Mayor's Office is in direct contact with EPA and will send out a notification when Portfolio Manager has been fully restored.

The City recognizes that this will impact meeting the May 1st deadline, and therefore has issued an official deadline extension to May 31, 2013.

IMPORTANT UPDATE (sent 4/29/13)

Please be aware that www.energystar.gov is currently unavailable, impacting Portfolio Manager. The EPA is working to address this issue as quickly as possible. At this point in time, it is uncertain how long the site will be down. Please continue to check the site for updates. The Mayor's Office is in direct contact with EPA and will send out a notification when Portfolio Manager has been fully restored.

The City recognizes this may impact meeting the May 1st deadline, and the City will not penalize submissions that fail to meet the deadline due to this inconvenience. More information will be provided as soon as possible.
