2016 Local Law 84 of 2009 Covered Buildings List - Energy and Water Benchmarking

Properties Required to Comply in 2016

PLEASE NOTE: If your BBL has an incorrect street address, please request a change by visiting http://nyc.gov/changemailingaddress

* Do not use this square footage in Portfolio Manager. DOF square footage only determines if a lot must comply, it is not the lot's total gross floor area.

Please calculate and input the total gross floor area in Portfolio Manager when benchmarking.
