2019 NYC Benchmarking Law Covered Buildings List - Required to Comply

NOTES:

1) If you are required to report automated water data from DEP, visit http://www.nyc.gov/html/gbee/html/plan/energy.shtml#water for more instructions.

2) If your BBL is listed with an incorrect street address, please request a change by visiting http://nyc.gov/changemailingaddress

3) According to DOF property records, all properties on this list are larger than 25,000 sq ft. If this is incorrect, email benchmarking@finance.nyc.gov.

4) Do not use the "DOF Square Footage" in Portfolio Manager as it is may not accurately reflect the lot's total gross floor area. DOF square footage only determines if a lot must comply. Please calculate and input the total gross floor area.
