Greener Greater Buildings Plan Digest, Vol. 18

ANNOUNCEMENTS

- **LL84 – 2013 Benchmarking Reporting Link**
  - The Reporting Link to submit your 2012 benchmarking data is now available. Use this link to comply by the LL84 deadline, May 1st, 2013: https://www.energystar.gov/istar/pmpam/index.cfm?fuseaction=login.loginExtRpt&reportuuid=86D02C48-C29C-0D66-30AC0C78DB6AFE29&permtype=REQ
  - This link will also be available at www.nyc.gov/LL84 in the 'How to Comply' section

OUTREACH & TRAINING

- **LL87 – Clean Heat (Local Law 43) and Local Law 87 Webinar**
  - On February 13th watch an informative webinar on the linkages of two laws to help your properties run cleaner and greener. RSVP by emailing info@nyccleanheat.org to receive log-in information.

- **LL87 – Training & Certification Programs**
  - CEM: 5-day training for the Certified Energy Manager exam is being offered by the Association of Energy Engineers (AEE) Long Island Chapter at NYIT in Old Westbury from March 18-22. Get more information and register: http://www.aeecenter.org/i4a/pages/index.cfm?pageid=3351
  - CEM: The CEM Fast Track Preparatory Course is also available online by the AEE. Register for the 12-hour course here: http://www.aeeprograms.com/realtime/FastTrackCEM/
  - CEA: Register for the 12-hour online Certified Energy Auditor (CEA) trainings offered by AEE beginning April 15th and May 6th: http://www.aeeprograms.com/realtime/CEAprep/
  - Retro-Commissioning certification and training information can be found on the GGBP LL87 Outreach & Training page: http://www.nyc.gov/html/gbee/html/plan/training_ll87.shtml#cea

- **LL87 – Outreach by Urban Green Council**
  - Download the latest public presentation on LL87: http://www.urbangreencouncil.org/servlet/servlet.FileDownload?file=015U0000000mdrV
  - Download the LL87 Audits & Retro-commissioning Compliance Checklist & User Guide: http://blog.urbangreencouncil.org/wp-content/uploads/2012/12/LL87v4checklist.pdf

- **LL85 – Outreach by Urban Green Council & American Institute of Architects**
  - The next "Cracking the Energy Code" is Friday, February 8th at the Center for Architecture. These 4-hour courses address the New York State energy code (ECCNYS-2010), and the more stringent New York City Energy Conservation Code (NYCECC). Get more information and register: http://www.urbangreencouncil.org/EnergyCode

Greener Greater Buildings Plan Digest, Vol. 19

ANNOUNCEMENTS

- **LL84 – Water Benchmarking (AMR) Covered Buildings List Revised**
  - Due to situations where not all buildings on a lot were outfitted with automatic meter readers (AMRs), the Department of Environmental Protection (DEP) has revised the 2013 LL84 AMR Covered Building List. Only borough block and lots (BBLs) where all buildings on the lot had AMRs for all of 2012 qualify for water benchmarking. Please only use this revised list, as a significant number of BBLs were removed.

UPDATES

- **LL84 & LL87 – Covered Building Lists posted as Excel**
  - In addition to the .PDF version, the covered building lists are now also posted as Excel spreadsheets:
    - Download either version of the LL84 Covered Buildings (Buildings Required to Benchmark)
    - § Download either version of the LL87 Covered Buildings (Buildings Required to Audit and Retro-commission).

REMINDERS

- **LL84 – 2012 Benchmarking Reporting Link**
  - The Reporting Link to submit your 2012 benchmarking data is now available to comply by the LL84 deadline, May 1st, 2013.
  - This link is also accessible in the 'LL84 How to Comply' section.

- **LL84 – Con Ed Aggregated Data Request**
  - Reminder that Con Ed is not accepting aggregated data requests until Friday, February 15th.

OUTREACH & TRAINING

- **LL87 – Clean Heat (Local Law 43) and Local Law 87 Webinar**
  - On February 13th watch an informative webinar on the linkages between the two laws to help your properties run cleaner and greener. RSVP by emailing info@nyccleanheat.org to receive log-in information.

- **LL87 – Training & Certification Programs**
  - CEM: 5-day training for the Certified Energy Manager (CEM) exam is being offered by the Association of Energy Engineers (AEE) Long Island Chapter at NYIT in Old Westbury from March 18-22.
  - CEM: Register for the 12-hour CEM Fast Track Preparatory Course, from the AEE.
  - CEA: 12-hour online Certified Energy Auditor (CEA) trainings by AEE, beginning April 15th and May 6th.
  - Retro-Commissioning certification and training information on the LL87 Outreach & Training page.

- **LL87 – Outreach by Urban Green Council**
  - Download the UGC public presentation on LL87
