

A Guide to Our Neighborhood

Welcome to the Neighborhood!

The New York City Health and Hospitals Corporation (HHC) is proud to open the Henry J. Carter Specialty Hospital and Nursing Facility in East Harlem, where 365 patients and residents will receive the highest levels of long-term acute care or skilled nursing care in an environment that is as warm and welcoming as it is beautiful and new.

Our new location also gives staff, residents, family, and friends a wonderful opportunity to become acquainted with the vibrant, diverse, and culturally rich Harlem community. In this booklet, we include a few suggestions such as restaurants, local services, religious institutions, museums, and other resources that can be found in our new community.

We'll update this guide often, so send your suggestions to jeanne.waller@nychhc.org.
