

Important Information about Paying for Your Care at East New York Diagnostic & Treatment Center

If you do not have health insurance, you may be eligible for assistance in paying your outpatient visit bills. Information about financial assistance is available at our Managed Care Financial Assistance Office by contacting **(718) 240-0510**.

East New York Diagnostic & Treatment Center is a participating provider in many health plan networks. You can find a list of the plans in which we participate [here](#). The information on East New York Diagnostic & Treatment Center's participating plans is current as of the date on the list. You should contact your health plan directly to confirm that you are covered for the services that you will be receiving and that East New York Diagnostic & Treatment Center is in network for your particular health plan. It is important to check whether we participate in the specific insurance product under which you are covered. The contact number for your health plan is listed on your insurance card.

Medical centers are required by law to make available information about their standard charges for the items and services they provide. We can provide the health center's charge for a specific service upon request. This information is available by contacting the Managed Care Financial Assistance Office at **(718) 240-0510**.
