

**Important Information about Paying for Your Care at
Gouverneur Health**

If you do not have health insurance that covers the services you receive from us, you may be eligible for financial assistance in paying your long-term care or skilled nursing facility bills, including physician services received during your care. Information about financial assistance is available at our Managed Care Financial Assistance Office by contacting **(212) 441-5029**.

Gouverneur Health is a participating provider in many health plan networks. You can find a list of the plans in which we participate in this package or at the following website:

<http://www.nychhc.org/hhc/downloads/pdf/oon/contracted-plans-gouverneur-snf.pdf>

The information on Gouverneur Health's participating plans is current as of the date on the list. You should contact your health plan directly to confirm that you are covered for the services that you will be receiving and that Gouverneur Health is in network for your particular health plan. It is important to check whether we participate in the specific insurance product under which you are covered. The contact number for your health plan is listed on your insurance card.

You can find the information on participating physicians by selecting the link "Insurance Participation List". A list of our physicians is also available at this website:

Hospitals are required by law to make available information about their standard charges for the items and services they provide. We can provide the hospital's daily charge for a specific service upon request. This information is available by contacting the Managed Care Financial Assistance Office at **(212) 441-5029**.
