

Important Information about Paying for Your Care at Queens Hospital

If you do not have health insurance, you may be eligible for assistance in paying your hospital bills. Information about financial assistance is available at our HHC Options Office by contacting **(718) 883-4444**.

Queens Hospital is a participating provider in many health plan networks. You can find a list of the plans in which we participate [here](#). The information on Queens Hospital's participating plans is current as of the date on the list. You should contact your health plan directly to confirm that you are covered for the services that you will be receiving and that Queens Hospital is in network for your particular health plan. It is important to check whether we participate in the specific insurance product under which you are covered. The contact number for your health plan is listed on your insurance card.

The physician services you receive in the hospital from physicians employed by or contracted with the hospital will be included in the hospital charges and not billed separately.

Hospitals are required by law to make available information about their standard charges for the items and services they provide. At Queens Hospital this information is available by contacting **(718) 883-2545** for Outpatient Customer Service or **(718) 883-2607** for Inpatient Customer Service.
