## **Important Information about Paying for Your Care at Sea View Hospital Rehabilitation Center & Home**

Sea View Hospital Rehabilitation Center & Home is a participating provider in many health plan networks. You can find a list of the plans in which we participate in this package or at the following website:

<http://www.nychealthandhospitals.org/hhc/downloads/pdf/oon/contracted-plans-sea-view-snf.pdf>

The information on Sea View Hospital Rehabilitation Center & Home's participating plans is current as of the date on the list. You should contact your health plan directly to confirm that you are covered for the services that you will be receiving and that Sea View Hospital Rehabilitation Center & Home is in network for your particular health plan. It is important to check whether we participate in the specific insurance product under which you are covered. The contact number for your health plan is listed on your insurance card, or you may contact the Patient Accounts Office at **(718) 317-3353**.

If you do not have health insurance that covers the services you receive from us, you may be eligible for financial assistance in paying your long-term care or skilled nursing facility bills, including physician services received during your care. Medical centers are also required by law to make available information about their standard charges for the items and services they provide. We can provide the health center's charge for a specific service upon request.

A list of our physicians is available at this website:
