Important Information about Paying for Your Care at Woodhull Medical and Mental Health Center

If you do not have health insurance that covers the services you receive from us, you may be eligible for financial assistance in paying your medical bills, including physician services received during your care. Information about financial assistance is available at our Managed Care Financial Assistance Office by contacting **(718) 630-3020**.

You can find a list of the plans in which we participate in this package or at the following website:

The information on Woodhull Medical and Mental Health Center's participating plans is current as of the date on the list. You should contact your health plan directly to confirm that you are covered for the services that you will be receiving and that Woodhull Medical and Mental Health Center is in network for your particular health plan. It is important to check whether we participate in the specific insurance product under which you are covered. The contact number for your health plan is listed on your insurance card.

The physician services you receive in the hospital from physicians employed by or contracted with the hospital will be included in the hospital charges and not billed separately. A list of our physicians is available at this website:
