The Biddies' irrepressible sound has earned them an avid following throughout the U.S.

Blending jazz, pop, and cabaret with soaring harmonies, this all female trio demonstrates both expert musicianship and sharp wit.

They have performed at some of the nation's hottest venues, from the Kennedy Center to Birdland, and have appeared with Bobby Flay on Food Nation and on the Discovery Channel.

Their music is featured often on NPR and the BBC.

"Manhattan's hippest girl group."

- Washington Post

"What exactly do the Biddies play?"

... a pop-meets-jazz streak that never takes itself too seriously."

- The Boston Herald

"They're Biddie-lightful, Biddie-licious, and Biddie-lovely.

The Biddies are winning New York hearts and minds with a lusty mix of jazz harmony and humor."
