

THE CHARITABLE WORK OF

THE AUXILIARY

JACOBI MEDICAL CENTER

(L-R) Daisy Rivera, RN; Mei-Wah Yip, RN; and Helen Cusick, Assistant Head Nurse, Pediatric Intensive Care Unit

The Jacobi Medical Center Auxiliary recently purchased 20 new sleeper chairs for the Pediatric Inpatient and Intensive Care Units. These chairs are comfortable to sit in and also function as fold-out beds for parents who stay overnight during their child's recovery.

The JMC Auxiliary relies on your generosity. Since 2009, Jacobi's Auxiliary has spent over \$1,000,000 to purchase medical equipment to enhance patient care at our hospital. There are many ways for you to support our Auxiliary; please call (718) 918-4203 for more information.

The JMC Auxiliary, Inc. is a 501(c)3 tax-exempt organization.

HELP IS WHAT WE DO BEST
