

BLOOD DRIVES

“Example is leadership.”

-Albet Schweitzer, Nobel Prize Winner

“I’ve always believed that to be a good leader you must set a good example. That’s why I set aside the time to donate at our hospital blood drives whenever I can. Giving blood is a simple, selfless act that saves lives.

Be a leader - recruit your friends, family and co-workers to join us at our next blood drive - let’s make this the best drive ever!”
