Sizzling Latin band Son de Madre fires up the stage with its saucy Cuban music infused with jazz, funk, and Brazilian flavors.

With musicians from Cuba, Argentina, Israel, Puerto Rico, and the US, the band mixes music from across the world to make one spicy sound that'll have you dancing all night long.

They have performed in the hottest clubs in the city with all-star artists like Celia Cruz, Paquito D’Rivera, and Victor Manuel, and on Spanish television’s two largest channels, Univision and Telemundo.
