Saving A Life = Priceless**

**10 months ago, Emily Sexton was rushed -critically injured- to Jacobi Medical Center after she was struck by a drunk driver.**

**During her stay, she received a total of 42 blood products. Because of the hard work of the Trauma Team and the available blood products in the Blood Bank, Emily will start her Freshman year at college in August.**

**“I’m grateful everyday for my life and for the donors who made it possible for me to continue my education and reach my goal of one day becoming a doctor.”**

*- Emily Sexton, Future MD*
