

A MESSAGE FROM THE EXECUTIVE DIRECTOR

Welcome to the Jacobi Medical Center website, where you will find information about our services, programs and facilities. At Jacobi, you and your family can count on high quality medical care, delivered with compassion, dignity and respect. Our healthcare delivery systems are designed with your safety and well-being in mind, and our medical programs meet proven standards for success.

We are very proud to offer our services in an array of new or recently renovated facilities. All areas have been carefully designed with patient safety and patient comfort as our highest priorities, and feature the latest in medical technology. Our inpatient services are provided in attractive, spacious, private or semi-private rooms. Large, modern Adult and Pediatric Emergency Departments are specially equipped to handle trauma, critical illness or injury. Our Operating Suites include the latest innovations in surgical and laparoscopic equipment. Medical, surgical, cardiac, pediatric, neonatal and burn intensive care units are outfitted with every amenity for superior critical care. Beautifully-renovated birthing rooms offer families a private and comfortable environment in which to share this wonderful time together.

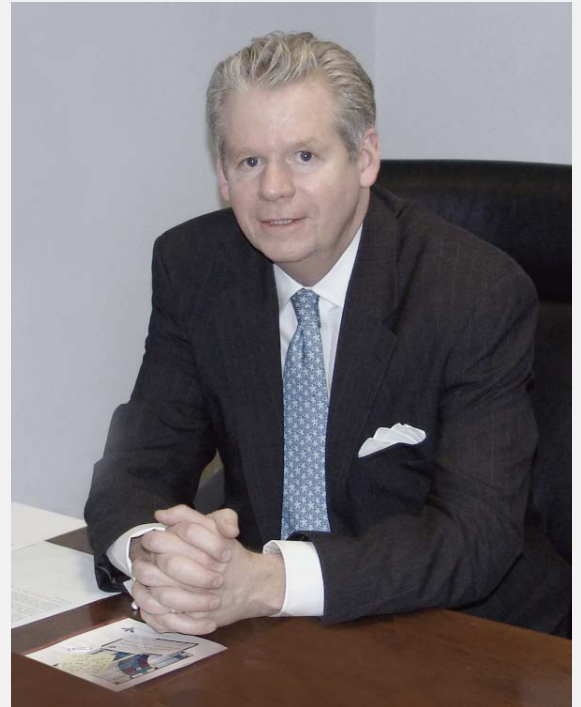

We are honored by your interest in Jacobi, and hope that the information on our site answers your questions. If you would like additional information, please use our 'Contact Jacobi' form by clicking on the email button under the Contact Jacobi heading in the left column of our home page, and send us your question. Our staff will get back to you promptly.

Very truly yours,
