

KINGS COUNTY HOSPITAL CENTER

Ernest J. Baptiste, *Executive Director*

invites you to attend our Annual Program

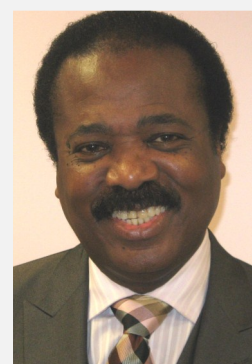

Black History Month Celebration Friday. FEBRUARY 20. 12:30 - 2:00 pm

*2015 National Black History Month Theme:
"A Century of Black Life, History, and Culture"*

KEYNOTE SPEAKER

Reinaldo Austin, MD—Physician Advisor, KCHC

Dr. Austin, a native of Panama, grew up in Brooklyn and worked as a physician in the Kings County Hospital Emergency Department for 25 years. While working in the ED, he became passionate about reducing the alarming number of youth who were patients due to gun violence and violent interactions. He founded a group called Doctors Against Murder (DAM) and continues his commitment to community education and health empowerment.
