

Procurement Summary

Basic Information

Procurement Title: Medical Services for Youth in Detention

Agency: Administration for Children's Services (ACS)

Agency Email Contact: MedServicesDetentionRFP@acs.nyc.gov

Procurement Description:

The Medical Services for Youth in Detention Program provides comprehensive medical care to youth in the custody of the Administration for Children's Services (ACS). ACS is seeking one qualified vendor to deliver quality, timely, and integrated, comprehensive adolescent-centered medical services. Proposers must be appropriately licensed to provide medical services in the State of New York. Provider would complete an initial medical assessment on or before a youth being housed and would then complete a comprehensive medical assessment within 72 hours of each admission. Each facility would be staffed with adequate and appropriate health professionals 365 days a year, 24 hours per day. Additionally, Providers would provide limited health services for ACS on-site staff and visitors; create and maintain health records; refer and manage all clinic appointments; coordinate care for hospitalized residents; provide health education and preventive services; efficient movement of medication and charts; institute an infection control plan; and provide all necessary laboratory and pharmaceutical services.
