

Procurement Summary

Basic Information

Procurement Title: Adolescent IMPACT (Intensive Mentoring/Parents and Children Together)

Agency: Department of Probation (DOP)

Agency Email Contact: acco@probation.nyc.gov

Procurement Description: The Intensive Mentoring/Parents and Children Together (IMPACT) program will provide community-based services to meet the specialized needs of adolescents sentenced to probation primarily through Adult Criminal Court. IMPACT will primarily help youth sentenced as Juvenile Offenders (JOs) or Youth Offenders (YOs) address issues related to their wrongdoing through two components – family services and mentoring. Clients will enter IMPACT as part of their original sentence (as a form of enhanced probation supervision), or will be “stepped up” to IMPACT during their probation. All services will be provided in collaboration with the client’s probation officer, who will remain the primary person responsible.

Through this procurement, DOP is seeking a Provider to operate the IMPACT program, which has two main components. First, the provider’s field counselors would offer family services that assess, address, and help restructure the ways that parents and adolescents interact. Second, the provider would assign a mentor to each youth. The provider would recruit mentors who are familiar with the communities they serve and the resources and challenges therein. Mentors will meet with youth two to four times a month and assist in developing their academic, personal, social, and vocational goals that were established during their time in the therapeutic component of IMPACT.
