

Procurement Summary

Basic Information

Procurement Title:	School-Based Health Centers
Agency:	DOHMH
Program Name:	School-Based Health Centers
Agency Email Contact:	RFP@health.nyc.gov (indicate SBHC in subject line)

Procurement Description:

School-based health centers (SBHCs) are primary healthcare facilities located in schools. SBHCs provide primary care, reproductive health care services, first aid, and initial emergency care to the entire student body. The goal of SBHCs is to improve the physical and mental health status of students enrolled in these schools.

Through this procurement, DOHMH is seeking Providers to operate SBHCs in 6 targeted high schools located in the Bronx, Queens and Staten Island. Providers will guarantee student access to primary care and reproductive health care services, improve student knowledge of preventive health practices, and provide early detection and treatment of acute and chronic disorders and counseling and supportive services.

All contractors must be Article 28 providers that have applied for and received approval from the NYS Department of Health (DOH) to operate a school based health center and have on file with NYS DOH a signed Memorandum of Understanding with the NYC Department of Education (the "local school board").
