

HIGH EFFICIENCY SPECIFICATION

DIVISION 1

SECTION 1J LEAD HAZARD REDUCTION

1J.01 GENERAL: Comply with all of the Contract Documents.

1J.02 SCOPE OF WORK

- A. Contractor shall provide all labor, materials and equipment required to conform with the Federal Lead-Based Paint Requirements Rider To Construction Contract.
- B. Contractor must refer to the appropriate sections of the specification as requested in this scope of work and/or drawings.

1J.03 CODES, RULES AND CERTIFICATES

- A. The work shall be in strict accordance with all laws and with latest rules and regulations of all municipal and other Public Agencies. Should there be a conflict between any items or requirements, specified herein and/or shown on the contract drawings, and said rules, regulations and requirements, the legal requirements shall be assumed to apply.
- B. Pay all fees, secure all permits and have all work inspected by all authorities having jurisdiction. Adhere to inspection requirements. Furnish certificates of inspections by all Agencies as required by them.
