REQUEST FOR EVALUATION

The Landmarks Preservation Commission is responsible for safeguarding the architectural, historical and cultural heritage of New York City.

The Commission's Research Department is pleased to accept requests from the public for the evaluation of the architectural, historical or cultural significance of properties throughout the five boroughs. If a property appears to meet the criteria for designation as a Landmark, the staff may recommend it for consideration by the Commission.

To request an evaluation, please fill out this form and return it to the address below. Please provide as much information about the property as you can and, if possible, include a photograph.

Thank you for your interest in the work of the Commission.

9th Floor North
New York, NY 10007

Dear Mary Beth:

As a follow-up to my earlier email, enclosed are hard copies of RFEs for the following properties in Williamsburg, Brooklyn:

- Matchett Candy Factory (390 Wythe Avenue)
- Weidmann Cooperage Building (75 North 11th Street)
- Williamsburg Trust Company Building (177 South 5th Street)
- Ainslie Street Station, MELC (34-52 Ainslie Street)
- St. Paul's Evangelical Lutheran Church (306 Rodney Street)
- 67 Metropolitan Avenue
- 55 Hope Street
- Gretsch Building #1 (119 South 5th Street)
- 454 Driggs Avenue
- New York Quinine and Chemical Works (111 North 11th Street)
- Northside Savings Bank (33-35 Grand Street)
- I. Rokeach and Sons Building (240 Wythe Avenue)

We are continuing to research these and other properties in Williamsburg and Greenpoint, and will forward you additional information as it becomes available.

Thank you for your continuing support for the rich history of our neighborhoods.

Best Regards,

Ward Dennis

this building as

#64 McCormick

Ukranian Church in Exile (Holy Trinity Cathedral.)

This building, formerly the Williamsburg Trust Company, is situated at the top of a gentle hill surrounded by park and open area. It is in good repair and combines the richness of carved detail, Ionic columns, pediment and frieze in perfect proportion.

Of glazed terra cotta, granite and limestone, it is a visual delight to the observer.

Its interior is every bit as good as the exterior and we most certainly recommend designating this building as a landmark.
