

543 Halsey Street

Photo from landmarks before alterations

Photo showing alterations – security camera and the lamp post

Lamp post replaces the light fixture attached to the façade between parlor floor windows (photo without alteration on page 1- between two parlor floor windows) as required by DOB.

Close up of the cameras when facing the house –

Camera on the left of the main entrance

Camera on the right side of the house

322 Stuyvesant Ave with security camera

509 Macon Street with security camera on window bars

610 Halsey street with Security camera

541 Halsey street (left) with security camera (my neighbor – I am at 543 with 2 cameras in the photo)

541 Halsey street also has the lamp in the yard similar to the one in my yard on the right

529 Halsey Street with Camera

525 and 527 Halsey street with similar lamps in their yards

578, 580 and 582 Halsey street (across the street from 543 Halsey) have similar lamps
