- High quality historic and current photos
- “Before” photos and “after” renderings or images
- Scope of Work including plans, elevations and sections of proposed changes
- Sightlines for addition of visible structures shown from multiple points
- Photos of mockups of rooftop additions from all visible perspectives
- Mockups must be in place at time of Committee meeting.
- Samples of all significant materials to be used in windows, doors, facades, signs, exterior lighting fixtures and roof materials including:
 - Texture
 - Color
 - Reflection
 - Transparency/Opacity
- Hardware
- Sign fonts and compliance with Landmarks Preservation Guidelines

If the application is for a new building it must also include:

- Current and future use of site
- Other land use or regulatory approvals required

Please provide eight 11x17 copies of your presentation, in addition to your boards, for Committee members to review. Let us know in advance if you require projection equipment.
