

PUBLIC TOWN HALL MEETING IS BIKE SHARE RIGHT FOR HARLEM?

The City is proposing a Bike share expansion in Harlem.

We want to know your view

Who will be impacted? How will it affect parking?

Where will/should the bike stands be located?

When does DOT plan to implement this proposal?

Will it help or hurt vendors? Will it overcrowd business/residential neighborhoods?

Presentation

NYC Department of Transportation

**Thursday
February 25, 2016**

6 p.m.

**Taino Towers
(Gymnasium)**

240 E. 123rd Street
