

FIVEBORO BIKETOUR NEW YORK / MAY 1, 2016

THE [TD FIVE BORO BIKE TOUR](#) IS COMING TO HARLEM!

America's largest charitable bike ride is coming to Harlem on Sunday, May 1, 2016. We would like to minimize any inconvenience that may be caused by the Tour by providing the following information. Bike New York thanks you for your cooperation during this citywide event. If you have any questions or would like more information, please contact [Bike New York](#) at: (212) 870-2080.

STREET CLOSURES

Due to street closures, traffic flow will be impacted. 32,000 cyclists will ride through the following streets, which will be closed to vehicular traffic, between the hours of 7:45 AM and 12:00 PM:

- The northbound lanes of Adam Clayton Powell, Jr. Blvd. between 110th St. and 135th St.
- East on 135th St. to the Madison Ave. Bridge where it crosses into the Bronx.
- The Tour re-enters Manhattan via the Third Ave. Bridge and enters the southbound lanes of the FDR Drive.

Streets immediately adjacent to the TD Five Boro Bike Tour route may be closed, and crossings of the Tour route will be limited and subject to delays.

PARKING

"No Parking" signs will be posted on all of these streets. Cars parked on these streets Sunday morning will be subject to towing.

Cars parked at garages in the affected area will be assisted in exiting the garages during the Tour, however we recommend planning ahead and parking outside the affected area to avoid delays.

TRANSIT

Some NYC bus detours will be in effect. Information will be posted at bus stops.

HOW CAN I GET INVOLVED?

Watching the TD Five Boro Bike Tour roll by is almost as fun as riding in it, so [come out and cheer](#), listen to live music, and enjoy the sight of 32,000 cyclists from all over the world pedaling through the car-free streets of NYC.

All proceeds from the TD Five Boro Bike Tour go towards funding Bike New York's free bike education programs, including those at [Jackie Robinson Park](#). Learn more about taking a class, joining a ride, or volunteering for Bike New York by visiting www.bike.nyc.
