

Notice of Public Meeting and Comment Period for Proposed Relocation of College Station Post Office

The United States Postal Service ("Postal Service") is proposing relocating the retail services currently provided at the College Station Post Office located at 217 West 140 Street, New York, New York ("Post Office") to a yet-to-be determined new location within the same ZIP Code area.

The present post office property comprises roughly 14,000 square feet of interior space and houses a retail services post office. The Postal Service is looking to relocate these retail services into right-sized space within the same general area. The services available to our customers at the present location would continue at the new location. Approximately 1,400 square feet of space is needed for this operation.

The Postal Service will present this proposal at a public meeting being held on May 7, 2014 at the YMCA of Greater New York/Harlem located at 180 West 135th Street, New York, New York. The meeting will start at 6:00 pm.

Public input is welcome. Written comments are also being accepted through May 22, 2014. Please submit written comments to:
