ANDREW LASSALLE
District Manager

Landmarks Committee

Tuesday, April 26, 2016 – 6:00 p.m.

Hon. C. Knox LaSister, Chair

AGENDA

1. Welcome/Introductions

2. Presentations

- Following work done at 250 West 139th Street:
 - i. Construct a rooftop skylight hatch to allow access to the roof and install a railing on the roof
 - ii. Install a free-standing car enclosure within the perimeter of the existing brick wall in the rear yard, create a garage door for car access from the alleyway, open a walk-through door on the west side of the brick wall
 - iii. Install a railing on the roof of the brick wall to create a deck and provide access to the deck through a new door in the rear of the building;
- Modification of an existing fire escape at 267 West 139th Street

3. Adjournment
