Seneca village – will be commerated in Central Park 16 digital signage will be posted where the village existed. Central park conservancy will be doing the installation. Launching event to come in October. Dabney Montgomery started the process with having this area recognized

### **Health and Hospitals – Hazel dukes**

Restriction of e-cigarettes in Phiadelphia. There is a bill in city council now to outlaw them. Time to restrict the sale of all flavored tobacco. Our children are dying from this. Rev Sharpton concern is that how our police dept will interact with our young people around this issue. This is about our children. We have petitions that you can sign and hopefully the city council will address this issue in 2020. Carlene Pinto mentioned that the bill heavily impacts the small businesses in our communities. Dr. Dukes mentiond this is about our children.

If you take one pull from the e cigarette it is equivalent to a whole pack of cigarettes Barbara Nelson.

### **Edcaation Youth and libraries**

Jamilah Clark - Police Athletic league – ages 12-17 providing services cb10 on 119 and Man Avenue. High risk children Ed counseling. Summer intensive. 45 students from SC lots of college engagement

Community is always invited to the committee meetings.

Resolution in support of liquor license Abdul located 2280 ACP Blvd – Applicant not present,

Wine and beer application Karina Ashiro common good – SLA new application – applicant not present

Charles Hughes and Rickey Solomon Labada inc – 2256 ACP applicant not present. New application

All were passed by the committee unanimously

It was not mandatory for them to be here tonight.

The process is that the application are encouraged to come but it is not mandatory for their attendance at the general board meeting.

Hazel Dukes recommended that the board takes the committee recommendation.

### **Old business**

Page missing from parks and recreation minutes

Page missing from land use minutes

### **Lisa downing**

Lenox terrace on the 19<sup>th</sup> will be discussed at the meeting this month. Development is inevitable. Training sessions will be happening. We tried to stop La Hermosa but the city approved it. We have to educate ourselves. Agendas should be sent out at least three days prior to the meeting was a suggestion from Barbara nelson.
