MINUTES

1. Welcome/Introductions

2. Presentation

NYC DOT representatives presented a proposal for intersection safety improvements on 116th Street, between Lenox and Fifth Avenues. There have been a number of injuries and fatalities at this intersection in the past several years. DOT has several recommendations to mitigate the safety concerns at this location, including:

- a) an extension of the median closer onto 116th Street (similar to medians on Adam Clayton Powell Blvd.); and
- b) prohibiting left hand turns from 116th Street onto Lenox Avenue and diverting traffic to adjacent avenues.

3. Actions

District Needs Statement: Three Top Issues

Main corridors: 110th to 125th, 125th through 145th. 145th through 155th.

1. Complete Streets - Pedestrian / Bike / Vehicle Street Safety
2. Sanitation
 - Both on the train tracks and in streets
3. MTA NYC Transit Bus Service
 - Inefficiencies and lack of oversight for delayed buses and trains

4. Discussion Items

a) Muni Meters

- How to best coordinate prior to installation of muni meters
- How to communicate issues with the proposed muni meter locations

b) Strategic Plan NYCDOT

- Review the plan and determine which policies and issues we should address first

- c) Presentation of the Elombe Brath Way Street Co-Naming Resolution at the November General Board Meeting

5. Next meeting date: Tuesday, December 13th
