

**Community Board 12- Manhattan**

**Traffic & Transportation Committee**

**Resolution to support DOT's School Safety Program in CB12M**

Whereas: DOT's School Traffic Safety Program has identified two schools in our community, CB12 Manhattan, to improve the pedestrian safety, which includes students, teachers and parents; and

Whereas: One of the schools identified is Incarnation School at 175 Street between Audubon & St. Nicholas Avenues, where crosswalks will be painted, stop bars installed and curb extensions built; and

Whereas: The other school is PS 132 on Wadsworth Avenue between 182 and 183 Streets where neck-downs for all corners at 182 and 183 Streets and St Nicholas & Wadsworth Avenues will be installed to shorten the street crossing; and

Whereas: These improvements for both schools will not only insure pedestrian safety, but also insure traffic calming measures and work will commence around both schools the summer of 2013; now therefore be it

Resolved: That Community Board 12 , Manhattan supports DOT's proposed safety improvements at Incarnation School and PS 132 to ensure the safety of students, teachers and parents.
