

Help us plan how to improve your local park

**Please join us and
share your ideas for improving
Mercer Playground**

**Wednesday, March 27, 2019
6:30 – 8:00 p.m.**

**Meyer Hall / NYU Center for Neural Sciences
4 Washington Place (west of Broadway), Rm. 122**

NYC Parks, Borough President Gale Brewer and Council Member Margaret Chin are holding a public meeting with local residents and stakeholders to discuss how to improve Mercer Playground. NYU has agreed to undertake the renovation of this park to fulfill a commitment made to the community as part of its Core Plan. With the input provided at this meeting, we will develop a schematic design to be presented to Community Board 2 for public review. Please join us at this meeting and feel free to invite others who may be interested.
