

REGISTER OF COMMUNITY BOARD BUDGET REQUESTS

For The Preliminary Budget
Fiscal Year 2014

Manhattan 2

The City Of New York
Michael R. Bloomberg, Mayor

REGISTER OF COMMUNITY BOARD BUDGET PRIORITIES

The Register of Community Board Budget Requests for the Preliminary Budget lists community board requests and reports agency funding recommendations for each request in the departmental estimates. The capital and expense budget estimates of proposed agency spending for the upcoming fiscal year based on the November financial plan comprise the departmental estimates.

As part of the Preliminary Budget process, the 59 community boards are asked to complete the following:

*** FY 2014 Capital Budget Requests and Priorities** - the boards request capital projects and assign priority numbers to each. Boards may submit no more than 40 capital priorities. In addition to the 40 numbered priorities, boards may submit 5 continued support priorities to confirm support for already funded projects.

*** FY 2014 Expense Program Requests and Priorities** - the boards indicate immediate service needs by submitting expense budget requests and assigning priority numbers to each. Boards may submit no more than 25 expense priorities.

*** Community Board Service Program Rankings for FY 2014** - the boards indicate the general importance of current services. To obtain the analysis of the boards' rankings of current services, call (212) 788-5930 or email: josephsm@omb.nyc.gov.

The Preliminary Register is released in January with other Preliminary Budget Documents. An Executive Budget Register is published with the Executive Budget in April. The Executive Register contains the same Board requests and priorities. OMB updates the responses since the Executive Budget is the Mayor's Budget.

A final Register is published after the budget is adopted. The Adopted Register contains responses that reflect the changes made to the Executive Budget by the City Council.

FORMAT OF THE REGISTER

The Register of Community Board Budget Requests is sorted into four versions: Community Board, Borough, Council and Agency. In all versions of the Register, each board's expense requests directly follow their capital requests. The requests are in board order.

LAYOUT OF CAPITAL BUDGET REQUESTS PAGES

Column 1: Priority Number

The priority assigned by a community board reflects the importance of that request as compared to its other requests. Boards may assign **Continued Support (CS)** to a project which received funding for construction in any year of the Financial Plan FY 2013 – 2017.

Column 2: Tracking Code

The nine digit identification number assigned to each community board budget request. Tracking codes are unique to each request and identify the borough, community district, year submitted, and request. The first digit refers to the borough, 1 = the Bronx, 2 = Brooklyn, 3 = Manhattan, 4 = Queens, and 5 = Staten Island; the second and third digits indicate the district number. The fourth through seventh digits represent the fiscal year in which the project was first submitted and the last two digits are the request number. The letter C in the tenth space indicates a capital budget request.

Column 3: Project Information

Request: A brief description of the project.

Explanation: Supporting information detailing the project, and its potential benefits.

Responsible Agency: The City agency which would implement the project.

Council District(s): The City Council district(s) where the capital project is located.

Budget Line Number: The number assigned to a capital project that was previously funded or is included in any year of the Financial Plan FY 2013 – 2017.

PROJECT ID: The capital project identification number which allows projects to be entered into the City's computer tracking system. The number of the managing agency and the project identification number make up the **PROJECT ID** of the project.

Source of Request: Any group(s) which support the request.

Column 4: Response

The Preliminary Budget recommendation for each budget request, provided by the responsible agency.

LAYOUT OF EXPENSE REQUEST PAGES

Column 1: Priority Number

Column 2: Tracking Code

The previously described nine digit identification number followed by the letter E in the tenth space indicates an expense budget request.

Column 3: Project Information

Request, Explanation, Responsible Agency,

Same as previously described for Capital Requests.

Column 4: Response

Same as previously described for Capital Requests.

.

COMMUNITY BOARD BUDGET PROCESS

The FY 2014 Register contains community board budget requests and agency funding recommendations. It is the charter mandated product of a dynamic and cyclical budget process which includes public testimony, written input about community needs, and consultations with city agencies that deliver local services.

At consultations with city agencies boards discuss community needs, agency policies and fiscal constraints. The consultation format in each borough is individualized to meet the needs of the community boards. The FY 2014 consultations consist of three different formats:

- **Individual 25 Minute Meetings** - District consultations in the spring followed by borough consultations in September and October, at which a community board meets with consulting agencies at individual twenty-five minute sessions on a single evening. The boards bring their most pressing concerns to the attention of top level decision makers at each agency.
- **Group** - All interested boards in the borough meet together with an agency for up to a two hour consultation. Many agency expense budget decisions have borough and citywide ramifications which impact all the boards in a similar fashion. The boards submit a single agenda which covers areas of common interest. Board specific issues may also be included.

- **Individual Meetings – Department of Parks and Recreation** - In Queens, boards met individually with the Department of Parks and Recreation which gave the participants sufficient time to discuss the status of capital projects as well as expense budget service issues.

In September and early October, the FY 2014 borough consultations consisted of 63 individual and 52 group sessions.

The fourteen consulting agencies are: Departments for the Aging, Buildings, Children's Services, Economic Development Corporation, Environmental Protection, Fire, Housing Preservation and Development, Human Resources Administration, Homeless Services, Parks and Recreation, Police, Small Business Services, Sanitation, and Transportation. The Department of Health & Mental Hygiene met with the Queens community boards.

During district consultations in the spring, community board representatives meet with the local service chiefs and other agency personnel.

In the fall, these same agencies meet with the community boards on a borough level using one of the three formats previously described.

PREPARING STATEMENTS ON THE PRELIMINARY BUDGET

The City Charter requires that community boards prepare written comments on the City's Preliminary Budget. The Community Board **Statement on the Preliminary Budget** is due one month after the release of the Preliminary Budget.

The Charter asks the community boards to send the **Statement on the Preliminary Budget** to the Mayor, the City Council, the Director of the Office of Management and Budget, the Borough President and each member of the Borough Board.

In your **Statement** to public officials, spell out board and community reactions (based on public hearings held by the board,) to both specific funding recommendations for board budget requests and the City's overall spending priorities as shown in the Four-Year Financial Plan.

Use this **Statement on the Preliminary Budget** as the basis for testimony at the public hearings held by the City Council and Borough Boards.

Organize the **Statement on the Preliminary Budget** by agency so that your comments can be sent to the proper agency and OMB decision makers.

Chapter VII of the **Manual for Participation in the Budget Process** provides a detailed guide for developing your

Statement on the Preliminary Budget. It also lists sources of information.

The following sources will also help you gather information regarding issues and needs specific to your district.

- **Register of Community Board Budget Requests for the Preliminary Budget** (agencies' funding recommendations in this document). Note whether the funding recommendations correspond to previous commitments made by the agencies.
- The **Capital Commitment Plan** charts capital appropriations, commitments, cash flow and implementation schedules and is now published in both a Citywide and community board version.
- The **Geographic Reports for the Capital and Expense Budgets** provide information on cost estimates of capital site-specific projects including appropriations and expenditures-to-date and estimates of appropriations for local service districts' expense programs.
- **Testimony taken at the board's public hearing on the Preliminary Budget** will indicate community concerns about current service needs and priorities.

Review the following Citywide budget documents to determine how the City's fiscal plans and priorities impact your district.

- **The Four-Year Financial Plan** discusses the City's fiscal condition for the current year and the succeeding four fiscal years, comparing revenues and expenses, and the actions required to close budget gaps. Agency planned spending is detailed and required changes to program spending are described.
- **The Departmental Estimate/Preliminary Budget** contain proposed agency spending for the next fiscal year before any reductions due to the Program to Eliminate the Gap (PEG). Check allocations for individual projects requested by the community boards and items not included by the agency.

For more information, please call the Community Board Unit, Office of Management and Budget at (212) 788-5940 or email: sugarp@omb.nyc.gov .

01	302201001C	<p>Request: Allocate Funds for the Purchase (or Leasing) and Subsequent Renovation and Conversion of 75 Morton Street for Use as a Public School.</p> <p>Explanation: There is a tremendous need for public school space in Community District 2. All of the schools in our district are currently well above capacity. This is a disservice to every student. The state-owned space at 75 Morton Street (The Manhattan Developmental Center) is wheelchair-accessible and could be converted into classroom space efficiently and relatively cheaply. This request is supported by Rep. Nadler, Sen. Duane, Assemblywoman Glick, BP Stringer, Speaker Quinn, CM Mendez, CM Chin, and District Leaders Hoylman and Berger. In addition to these elected officials and the organizations listed below, it is also supported by the District 2 School Community Council and Parent Commission.</p> <p>Responsible Agency: Department of Education</p> <p>Council Districts: 3</p> <p>Supported by: Several Elected Officials (names listed in explanation) United Federation of Teachers; Parent Advocacy Committe</p>	Further study by the agency of this request is needed. Contact the agency.
02	302200401C	<p>Request: Allocate Funds to Study and Reconstruct the Complex Intersection of Seventh Avenue South and Christopher, Grove, and West 4th Streets (Sheridan Square); to Improve Pedestrian Safety by Simplifying and Rationalizing These Crossings Through Traffic Calming</p> <p>Explanation: This complex intersection caused by the widening of Seventh Avenue South several years ago is both confusing and dangerous to cross because of its irregularity and its influx of traffic coming from so many different directions. CB 2 considers realignment of this intersection of utmost importance to ensure pedestrian safety, comfort and orientation.</p> <p>Responsible Agency: Department of Transportation</p> <p>Council Districts: 3</p>	The agency will try to accommodate this issue within existing resources.

03	302201308C	<p>Request: Allocate Funds to Replace the Boiler as Well as Windows, Waterproof the Basement and Install Dehumidification System for the Pool at the Tony Dapolito Recreation Center.</p> <p>Explanation: Since Super storm Sandy, the Dapolito Center has been closed because the boiler was damaged and needs to be replaced. This is a major loss for our community. The Dapolito Center is a hub of activity and is well-used by young and old alike. The Parks Department needs to give this situation its fullest attention and work to get the Center open as soon as possible. In addition, the windows are composed of plastic material that has become opaque giving the location a run-down appearance from inside and outside. The Parks Department has identified other needs for the continued upgrade and maintenance of this important community facility.</p> <p>Responsible Agency: Department of Parks and Recreation</p> <p>Council Districts: 3</p>	<p>Department of Parks and Recreation funds are insufficient for this project. We recommend this project be brought to the attention of your elected officials, i.e. Borough President and/or City Council member.</p>
04	302201203C	<p>Request: Allocate Funds to Refurbish Walls, Floors and Ceilings in the West 4th Street Subway Station.</p> <p>Explanation: This station, the ninth busiest in the City and a major hub for seven subway lines, suffers from peeling walls, leaky ceilings, and broken wall tiles. These conditions not only affect local and transient users but also have negative impacts on Greenwich Village's role as an important center of business, tourism and major institutions and needs to be quickly addressed by the MTA's Station Renewal Program.</p> <p>Responsible Agency: Transit Authority</p> <p>Council Districts: 3</p> <p>Supported by: Village Alliance BID</p>	<p>This request includes more than one proposal. Funding for part is recommended. Contact the agency for specifics.</p>

05	302201402C	<p>Request: Allocate Funds for Capital Replacement of Bluestone and Brick Pavers on Avenue of the Americas from Houston Street to West 14th Street (excluding the Jefferson Market Library and Ruth Wittenberg Blocks) with Tinted Concrete, along with New Granite Curbs a</p> <p>Explanation: Twenty-five years ago, DOT fully funded a capital improvement project at this locale, including 3-ft. bluestone pavers, curbs, tree pits, storm water catch basins, ramps and other amenities, intending to maintain them, but this was not done. At this point, the bluestone and pavers have severely deteriorated. They are not only unattractive, but with many loose and missing pieces, highly dangerous to pedestrians and obstructive to the conduct of business. Tinted concrete provides a highly attractive bluestone substitute that is more durable than bluestone and more compatible with current activities and impacts, including large deliveries, restaurant grease from garbage, and pressure washing.</p> <p>Responsible Agency: Department of Transportation</p> <p>Council Districts: 3</p> <p>Supported by: Village Alliance</p>	<p>Funds are unavailable for this project. We recommend this project be brought to the attention of your elected officials, i.e. Borough President, Council/Assemblymember, or State Senator.</p>

06	302200902C	<p>Request: Allocate Funds to Design and Build a New Open Space and Public Recreation Facilities on Land Owned by the NYC Department of Environmental Protection on Hudson Street Between West Houston and Clarkson Streets.</p> <p>Explanation: The NYC Department of Environmental Protection purchased this lot with the commitment, starting in 1996, that it would be turned over to the Department of Parks and Recreation upon completion of work on the new water tunnel shaft to be built there. Work on the shaft is now complete. PlaNYC identifies the need for new locations for playgrounds and Community Board 2 remains one of the most under-served in both total park area and particularly areas large enough for active recreation. This site is ideal for open space and recreation because of its proximity to J.J. Walker Park, a public high school building and the Dapolito Recreation Center. Community Board 2 is working with community members and groups to develop ideas for the use of this space.</p> <p>Responsible Agency: Department of Parks and Recreation</p> <p>Council Districts: 3</p>	<p>Department of Parks and Recreation funds are insufficient for this project. Work on the shaft is now complete. Community District 2 remains one of the most underserved in both total park area and particularly areas large enough for active recreation, and this area has new residential growth and this area is underserved even by Community District 2 standards.</p> <p>Responsible Agency: Department of Parks and Recreation</p> <p>Council Districts: 1</p>	<p>Department of Parks and Recreation funds are insufficient for this project. 08	302201301C	<p>Request: Allocate Funds to Design and Build a New Park on Land Owned by the NYC Department of Environmental Protection on East 4th Street Adjacent to the Merchant's House Museum.</p> <p>Explanation: The NYC Department of Environmental Protection purchased this lot with the commitment that it would be turned over to the Department of Parks and Recreation upon completion of work on the new water tunnel shaft to be built there. Work on the shaft is complete. This project will protect needed public open space and also add an important amenity for the Merchant's House Museum.</p> <p>Responsible Agency: Department of Parks and Recreation</p> <p>Council Districts: 2</p>	<p>Department of Parks and Recreation funds are insufficient for this project. 09	302201302C	<p>Request: Allocate Funds to Plant Three Hundred Trees in Tree Pits where Trees are Missing or Dead on Streets and in Parks and Playgrounds Within Community District 2.</p> <p>Explanation: Trees are very important to the quality of life along our heavily trafficked streets. Many trees have died over the years and have not been replaced. This causes trip hazards to pedestrians and creates an unmanaged appearance. Property owners eventually remove the pits causing the loss of a valuable tree location and an additional cost to the City when the tree is replanted.</p> <p>Responsible Agency: Department of Parks and Recreation</p> <p>Council Districts: 1, 2, 3</p>	<p>Further study by the agency of this request is needed. 10	302201005C	<p>Request: Fund the Replacement or Repair of Damaged Granite Crosswalks on Mercer Street (Both North and South Sides), at Prince, Broome, and Grand Streets and on Greene Street (Both North and South Sides) at Prince, Spring, and Broome Streets.</p> <p>Explanation: The crosswalks on Mercer and Greene Streets in SoHo are in serious disrepair. Their large granite slabs have cracked and crumbled severely, never having conformed to the curvature of the street grading that is necessary for rain drainage into the corner catch basins. CB 2 is greatly concerned that the present condition is hazardous, which could result in serious injury by a pedestrian. In addition, in their present condition, the crosswalks appear unusable by someone using a wheelchair. These intersections should be reconstructed with a paving that would not splinter as these granite slabs have done and that would be in keeping with the historic district and the streets' historic Belgian blocks.</p> <p>Responsible Agency: Department of Transportation</p> <p>Council Districts: 1</p> <p>Supported by: Disabled-In-Action SoHo Alliance</p>	The agency will try to accommodate this issue within existing resources.
11	302201109C	<p>Request: Fund Renovations to the Interior Spaces (including for ADA Compliance), a New Ceiling, Lighting and Flooring on the 1st and 2nd floor as Well as New Furniture and Equipment for the Hudson Park Library.</p> <p>Explanation: This library is heavily used by youth, seniors and many others and needs renovation to expand services to various populations. Although the interior was recently repainted, the need for renovation goes well beyond a coat of paint. In addition, the library has a large amount of underutilized space, in part because of a lack of access.</p> <p>Responsible Agency: New York Public Library</p> <p>Council Districts: 3</p> <p>Supported by: Hudson River Park Mothers Group</p>	NYPL supports this proposal as requested. However, city funded financial support is necessary to implement this project.

12	302201108C	<p>Request: Allocate Funds to Widen the Sidewalk on the South Side of Spring Street Between Washington and Greenwich Streets.</p> <p>Explanation: An increase in the residential population on this street, and many new commercial uses, have led to greater pedestrian activity and crowding on the south sidewalk. The street bed here is four lanes wide, an excessive width endangering pedestrians, and no longer needed in this formerly industrial area where UPS once used this street as a roundabout. The street is a two-way from 9A to Washington Street, then a one-way going east from Washington Street to Greenwich Street (and beyond), resulting in eastbound vehicular traffic dangerously surging into the wider one-way-east expanse. Sidewalk widening also can offer some separation and relief from the negative impacts of the huge Sanitation garage being built west of Washington Street.</p> <p>Responsible Agency: Department of Transportation</p> <p>Council Districts: 3</p>	<p>Capital funding constraints, project capacity and City-wide priorities preclude this project at this time.</p>
13	302201305C	<p>Request: Allocate Funds to Renovate the Roof at Pier 40.</p> <p>Explanation: The roof at Pier 40 has been in serious disrepair for many years and it is getting worse. The structural damage and constant leaking necessitates a reduction in the amount of space the Hudson River Park Trust can allocate for parking, which reduces the amount of income to maintain the pier and the Hudson River Park.</p> <p>Responsible Agency: Department of Parks and Recreation</p> <p>Council Districts: 3</p>	<p>The Department of Parks and Recreation does not maintain this facility.</p>

This W</p> <p>Explanation: Although the bus bump-outs appear to be working in allowing several buses to stop at once and accommodate both locals and tourists, a less piecemeal approach aimed at reducing traffic and integrating alternate transportation modes can create a more functional, people-friendly and less congested corridor. A pilot program is requested, similar to the one on Market Street in San Francisco, where most cars are being banned, while retaining muni-buses, delivery trucks, taxis and bicycles, to be followed by public art displays in storefronts, concerts, and other events, and the creation of mini-plazas, featuring outdoor seating, tables, food kiosks, and landscaping. 16	302201307C	<p>Request: Allocate Funds to Plant Trees on Streets and in Parks and Playgrounds at Fifty Locations in Hudson Square.</p> <p>Explanation: This is a previously industrial area, so there are very few street trees. The area has new residential buildings and anticipated rezoning will soon encourage more residential development. In Addition, DOT Should Fund the Repair of Existing Pedestrian Ramps that Are Unusable Because of a Degraded Condition or Because They Are Not Even with the Adjacent Street.</p> <p>Explanation: In its response to this request last year, DOT stated that this project will be undertaken over the next several years and that it had received additional funding for this purpose. However as DOT is already aware, as a result of the pedestrian ramp study that was completed in CD 2 in 2007, there are a high number of corners in our district either without a pedestrian ramp or with ramps that are unusable because they are degraded or are not even with the roadbed. This combination not only make them difficult to read, but creates confusion and endangers pedestrians, bicyclists, and motor vehicles, while producing negative and unattractive visual impacts, particularly detrimental to our historic districts. Specific Emphasis to Be on Accommodating Safe Pedestrian Access from Canal to the East Sidewalk of Hudson North</p> <p>Explanation: The commercial and residential populations of the Hudson Square area have boomed in recent years, leading to much higher pedestrian activity and a significant flow of pedestrians to and from the Canal St. subway station on the 1/2 (Seventh Ave. IRT) line. There is poor pedestrian accommodation at this area as a result of the traffic saturation and the area's still existing but outmoded configurations based on past manufacturing history. This situation contributed to a pedestrian fatality at this location in summer 2011. Crossing distances are long, traffic blocks crosswalks for many hours of the day and there is, in fact, no crosswalk connecting the east sidewalk of Hudson Street for pedestrians to continue east on Canal Street towards the subway station.</p> <p>Responsible Agency: Department of Transportation</p> <p>Council Districts: 3</p>	NYC DOT completed this project with an in-house initiative.

In calendar year 2011, CB 2 held 168 public meetings and passed 608 resolutions making us, arguably, the busiest community board in New York City. This creates a relentless burden on our embattled staff to keep up with the avalanche of applications and related inquiries that are sent to us. In a fairer world, we would have a larger budget with which we could hire an additional staff person to take some of the pressure of our overworked staff. Under the circumstances, we must resign ourselves to advocating against proposed cuts that would make it even more difficult to meet our City Charter-mandated responsibilities.</p> <p>Responsible Agency: Office of Management and Budget</p>	<p>The community boards' FY 2014 budget is maintained as per the November plan.</p>

03	302200904E	<p>Request: Allocate Funds for the Hiring of Additional Inspectors to be Regularly Assigned to the Evening, Early Morning, and Weekend Shifts.</p> <p>Explanation: A major weakness in the enforcement of the sidewalk cafe rules by the Department of Consumer Affairs is the lack of inspectors working regular shifts on the weekends, at night, and on Sunday prior to the noon opening time when many violations occur. These are peak sidewalk café times and it is imperative that DCA has inspectors in the field at these times. Many of the complaints we receive regarding sidewalk cafes pertain to illegal activity at these times.</p> <p>Responsible Agency: Department of Consumer Affairs</p>	<p>The NYPD is the primary enforcement agent for nightlife and vending issues. 04	302200903E	<p>Request: Allocate Funds to Increase Enforcement in Community District 2 (e.g. Traffic Policing Near the Holland Tunnel, Enforcement of Idling Engine Laws and Enforcement of Motor Vehicle Laws for Trucks).</p> <p>Explanation: Community Board 2 is hopeful at the prospect that the agency (NYPD) will try to accommodate this enforcement need within existing resources. The need for enforcement near the Holland Tunnel (whose entrance is reported to have the highest concentration of particulate matter in the City) continues to be of great concern, as it is throughout District 2, in terms to both alleviate congestion (and thereby air pollution) and avoid pedestrian/vehicular, as well as vehicular/vehicular conflicts. It is imperative that the City make every effort to ensure strict enforcement of motor vehicle laws in that area and throughout the district.</p> <p>Responsible Agency: Police Department</p>	<p>NYPD total staffing levels depend on decisions made in the Preliminary and Executive budget process. (West 4th St. between MacDougal Street and Washington Square East) Up to 6th Avenue on the West and Broadway on the East.</p> <p>Explanation: Vehicular traffic rushes through this corridor. It makes it difficult and dangerous for pedestrians to cross, both when traffic is proceeding directly from 6th Avenue to Broadway or turning from the south into West 4th Street/Washington Square South, as streets heading north hit the T-intersection at Washington Square Park. The high volume of pedestrian traffic from the NYU community, park users, and both adults and children in the surrounding community makes this a particularly vulnerable area. DOT is asked to look at a range of both short and long-term solutions such as more and differently timed traffic lights, "Stop" and "Yield to Pedestrian" signs.</p> <p>Responsible Agency: Department of Transportation</p>	This request cannot be funded in FY 2014. 10	302201102E	<p>Request: Fund Programs that Allow the Elderly to Function in the Community, Such as Senior Centers, Daily Meal Delivery, Village Visiting Neighbors, Assisted Living, etc.</p> <p>Explanation: These programs result in happier and healthier seniors, as well as save hospital and nursing home costs. Current cuts have short-changed the needs of our elderly. Reorganization and strategic prioritizing of city/state/federal agencies may be needed.</p> <p>Responsible Agency: Department for the Aging</p>	<p>DFTA funds many contracts to provide these services and will continue to advocate for increased funding support for aging services.</p>
11	302201101E	<p>Request: Fund Outreach to the LGBTQ Community by Increasing Funding for The Door and Other Groups.</p> <p>Explanation: Thousands of LGBTQ find our neighborhood more accepting than most, and many need help with HIV and other problems that they are unable or unwilling to secure in their home neighborhoods. In addition, educational and vocational needs are often unmet, resulting in hostility and distress among the youth as well as our residents. Increased support for groups that help these youth is needed. We applaud DYCD'd Family Therapy Intervention Pilot.</p> <p>Responsible Agency: Department of Youth & Community Development</p>	<p>DYCD funding is allocated through public solicitations including Requests for Proposals.</p>
12	302200906E	<p>Request: Allocate Funds to Hire Additional Enforcement Agents to Respond to the Growing Number of Noise Complaints.</p> <p>Explanation: Community Board 2 has the second highest number of noise complaints in Manhattan. The Department of Environmental Protection (DEP) needs to hire additional enforcement agents so they can do more than respond to a call made to "311." When a hot spot is identified, DEP should proactively send enforcement agents into the area to address the problem.</p> <p>Responsible Agency: Department of Environmental Protection</p>	<p>The agency will try to accommodate this issue within existing resources.</p>

13	302201004E	<p>Request: Allocate Funds to Hire Additional Enforcement Agents to Address Taxi Violations in Community District 2.</p> <p>Explanation: There are many areas in our district, including the Meatpacking District, Bleecker Street area, SoHo, NoHo, Little Italy and Chinatown, that attract a large amount of taxi traffic. We have seen a dramatic increase in the number of complaints about taxi cabs blowing their horns, especially late at night and in the early morning hours, as they cruise the Meatpacking District in search of passengers leaving the late-night clubs. We need more Taxi and Limousine Commission enforcement agents on the street to target violations, particularly noise violations, that adversely impact area residents.</p> <p>Responsible Agency: Taxi and Limousine Commission</p>	<p>The agency will try to accommodate this issue within existing resources.</p>
14	302200103E	<p>Request: Fund a "Safe Space" Shelter Program for Homeless Transgender Individuals in the NYC Shelter System.</p> <p>Explanation: Transgendered individuals are special targets for abuse and violence within the shelter system as constituted now. Transgendered individuals require separate facilities.</p> <p>Responsible Agency: Department of Homeless Services</p>	<p>The vast majority of NYC shelters serve men and women separately. We also operate shelters for persons with special needs, including people living with mental illness, physical disabilities, and substance abuse, and operate such special needs shelters for both men and women. It is the policy of DHS to assign a shelter applicant to the appropriate shelter to meet their programmatic needs. DHS respects the shelter preference of transgendered clients and we assign transgendered clients to men's or women's shelters based on the applicants' choices.</p>

15	302201105E	<p>Request: Allocate Funds to Hire Additional Enforcement Agents to Target Illegal Street Furniture and ATM Machines.</p> <p>Explanation: The Department of Transportation has recognized that ATM machines on public sidewalks are illegal and has promised to commence a tougher enforcement policy against the placement of these machines. We feel that this effort would be abetted by the hiring of additional enforcement agents. In addition, we hope the additional agents will write violations for other types of illegal street furniture, such as A-frame signs and planters.</p> <p>Responsible Agency: Department of Transportation</p>	The agency will try to accommodate this issue within existing resources.
16	302200101E	<p>Request: Fund an Adult Daycare Facility Program for Persons with Alzheimer's Disease Who Reside in Chinatown.</p> <p>Explanation: There are currently no daycare services for Alzheimer patients in the Chinatown area, thus causing premature nursing home placements. As Alzheimer patients fall back to their original language, daytime services must be provided in their original language when that language is other than English (e.g. Chinese). We recognize that DFTA was hired in the Alzheimer's Long Term Care Unit to assist with appropriate referrals, but we repeat our request for the creation of an Adult Daycare Facility Program.</p> <p>Responsible Agency: Department for the Aging</p>	Staff was hired in the Alzheimer's Long Term Care Unit to reach out to the Asian community to assist with appropriate referrals and linkages.

19	302200003E	<p>Request: Provide Funding for Development and Training for a Defibrillator Pilot Program to Increase Survival Rates Following Cardiac Arrest Incidents in Our Area.</p> <p>Explanation: The proposal would fund a pilot program to allow cardiac defibrillators to be made available in commercial establishments and residential buildings in order to improve the very low (2%) survival rate now experienced in our area following cardiac arrest. Very often survival is decided by the number of minutes/seconds between onset and the administration of emergency care. The program would reduce the negative effect of NYC realities (i.e. heavy traffic, high-rise buildings with access problems, etc.) which are largely responsible for making our survival rate so poor. Unfortunately, due to the closing of Saint Vincent's Hospital, another health center needs to be identified to provide the necessary training.</p> <p>Responsible Agency: Fire Department</p>	<p>Approval of this request is contingent upon the receipt of private funding and/or budgeted through elected officials' funding.</p>
20	302199107E	<p>Request: Allocate Funds to Support Intensive Outreach Services to Homeless People Living in the Subway Stations, Parks, Streets, Tunnels & Other Public Places in CD 2.</p> <p>Explanation: We need a professional outreach program that can identify gathering spots for homeless individuals and send trained staff to assist these individuals. This must be backed up by the requisite slots for treatment as required i.e. drug treatment slots, mental illness slots and alcoholism treatment slots and increased transient housing facilities.</p> <p>Responsible Agency: Department of Homeless Services</p>	<p>DHS currently funds programs to address these issues and concerns. To learn more about these programs and available resources in your district, please contact the agency.</p>

21	302200801E	<p>Request: Allocate Funds to Provide an Increased and Continuous Police Presence Along the Bleecker Street Corridor (Between LaGuardia Place and Sixth Avenue) and in the Gansevoort/14th Street Area During the Late Evening and Early Morning Hours.</p> <p>Explanation: CB 2 is concerned about quality-of-life issues stemming from the increase in nightlife activity in these areas. In particular, there has been a steady stream of noise complaints from problem bars along Bleecker and Macdougall Streets.</p> <p>Responsible Agency: Police Department</p> <p>Supported by: Bleecker Area Merchants/Residents Association</p>	<p>NYPD's total uniformed staffing levels depend on decisions made in the Preliminary and Executive Budget process. 22	302200905E	<p>Request: Allocate Funds for the Hiring of Additional Enforcement to Target Prostitution and Drug-Dealing in the Far West Village.</p> <p>Explanation: Residents in the Far West Village are being victimized by the increasing prevalence of prostitutes and drug-dealers on their streets. Despite the best and earnest efforts of the 6th Precinct, the problem continues. The City needs to increase its enforcement efforts in this area so the residents are no longer prisoners in their own homes.</p> <p>Responsible Agency: Police Department</p>	<p>NYPD's total uniformed staffing levels depend on decisions made in the Preliminary and Executive Budget process.
