CECM/Street Activity Permit Office
100 Gold Street, 2nd Floor
New York, NY 10038

Dear Ms. Tolson:

At its Full Board meeting on April 19, 2018, Community Board #2, Manhattan (CB2, Man.) adopted the following resolution:

Tuesday & Wednesday, April 23-24, 2018— Tribeca Film Festival: Chanel Artists Awards Dinner, 1) Crosby St. between Spring St. and Prince St., 2) Crosby St. between Broome St. and Spring St.

Whereas, the application before the committee was for only a sidewalk and curb lane closure for this location but the applicant informed the committee that they had negotiated an “upgraded” application with the Street Activity Permit Office (SAPO) very recently for a complete street closure of Spring Street from Broadway to Lafayette for the price of \$25,000, during rush hour, from 5:30 PM until 9 PM, in order to allow unimpeded access to the VIP guests and press at Balthazar, but that application was never provided to Community Board 2 for comment; and

Whereas, TriBeCa is not part of Community Board 2 nor is SoHo part of TriBeCa, and therefore the committee was confused as to the geographic appropriateness of this event and is certain that there is a plethora of establishments within TriBeCa that would not only be more geographically appropriate for this event but the operators of these establishments would be presumably thrilled to hold an event of this caliber and glitz; and

Whereas, just this very month Community Board 2; Traffic and Transportation Committee heard from representatives of the SoHo Broadway Initiative and the Broadway Residents Coalition, together representing thousands of local residents and businesses, who presented a desperate request for DOT to find a way to alleviate the excessive backup of motor vehicles turning left (east) from **Broadway onto Spring St.**, and described the highly congested traffic conditions in that area, the blocked crosswalks, and the resulting **danger to pedestrians** and one can only imagine how this situation will be negatively impacted by a complete closure of Spring Street, during rush hour, at this very intersection; and

Whereas, a resident of this block appeared to describe the nightmare that occurred surrounding this same event at the same location last year, during which NYPD officers staffed for the event would not allow residents to access either sidewalk of Spring Street on this block; and

Whereas, this application demonstrates the problem with SAPO's procedures for granting these type of requests without any time for community input, such input would have made obvious that this block would never be recommended for a full street closure during rush hour on a weekday evening, especially not for a VIP event that is exclusive, closed to the public, and extremely disruptive and bears no geographic relationship to the neighborhood and community it is being held in; and

Whereas, it seems incongruous that that this committee expects nonprofit sponsored street activity applications to demonstrate how the activity is a benefit to the community and how the nonprofit intends to use the proceeds from the fair, yet SAPO offers a full street closure permit to for profit entity for the price of \$25,000 yet the community has no practical input, nor knows how the proceeds of that \$25,000 are being used to benefit the community; and

Whereas, the frustration of expressing concerns for a full street closure that is to occur in just 4 days from the date of the full Community Board 2 meeting is palpable; now

Therefore Be It Resolved that CB2 Manhattan recommends **DENIAL** of the **Tribeca Film Festival: Chanel Artists Awards Dinner, 1) Crosby St. between Spring St. and Prince St., 2) Crosby St. between Broome St. and Spring St** on April 23-24, 2018;

And Therefore Be It Further Resolved that CB2 requests a representative of SAPO meets with members of CB2 to discuss how this sort of event is not permitted to occur in the future unless there is proper time for the community to provide input.

VOTE: Passed unanimously, with 32 Board members in favor

Please advise us of any decision or action taken in response to this resolution.

Sincerely,

Terri Cude, Chair

Dear Ms. Tolson:

At its Full Board meeting on April 19, 2018, Community Board #2, Manhattan (CB2, Man.) adopted the following resolution:

Saturday & Sunday, May 5-6, 2018— Gucci Store Opening, Wooster St. between Broome St. and Spring St., West Broadway between Broome St. and Spring St. (sidewalk and curb lane closure).

Whereas, the applicant is opening a new retail store at this location with a 2-year lease and will hold this opening event inside the store; and

Whereas, this application is for a sidewalk and curb lane closure only, the curb and sidewalk on Wooster Street will be used for guest arrival and exit, and the curb and sidewalk on West Broadway will hold 2 catering tents, a parked trailer, and a movie-set grade quiet generator to support the event inside; and

Whereas, the area was posted, community groups notified, and the applicant was present, and no member of the public appeared to speak regarding this application; now

Therefore Be It Resolved that CB2 Manhattan recommends **approval** of the **Gucci Store Opening, Wooster St. between Broome St. and Spring St., West Broadway between Broome St. and Spring St. (sidewalk and curb lane closure)** on May 5-6, 2018.

Saturday, June 9, 2018— Leslie-Lohman Museum Second Annual Block Party: Celebrating Queer Power and LGBTQ Art in NYC, Wooster St. between Canal St. and Grand St.

Whereas, this event was successfully held last year at this location without complaint or issue and much celebration; and

Whereas, the area was posted, community groups notified, and the applicant was present, and no member of the public appeared to speak regarding this application; and

Whereas, the applicant intends to use the block starting at noon and ending at 7:00 PM, with the event occurring between 2 PM and 6 PM; and

Whereas, the event is free and open to the public and will celebrate the new art installation called QueerPower which features artists working at the intersection of arts and social justice and will feature free community art activities and this will be an annual event which will kick off the summer season at the museum and is free, inclusive, and open to all; now

Saturday, July 7, 2018— NYC Department of Health and Mental Hygiene: Youth Pridefest, Christopher St. between Greenwich St. and Washington St.

Whereas, the New York City Department of Health and Mental Hygiene is partnering with the Kiki Coalition to present Youth Pridefest; an event highlighting social services for LGBTQ youth and young adults from 2 PM until 6:30 PM on Christopher Street between Greenwich and Washington Streets with set-up beginning at noon and break-down complete before 7:30 PM; and

- **Housing Works**—a nonprofit organization that advocates for funding and legislation to ensure that all people living with HIV/AIDS have access to quality housing, healthcare, HIV prevention, and treatment. The organization operates several thrift shops in New York City, one of which is **located in Community Board 2 at 130 Crosby Street**. - **NYC Department Of Health**

- **NYU Center For Health, Identity, Behavior & Prevention Studies**—a nationally recognized center for the study of LGBTQ health with a focus on the disparities of HIV, substance use, and mental health burdens. The Center is **located within Community Board 2 at 665 Broadway, Suite 800**.

- **Streetwise And Safe**—a nonprofit organization which focuses on LGBTQ youth of color’s experiences of profiling, policing, and criminalization, located at 147 West 24th Street.
- **True Colors Fund**—a nonprofit organization that is working to end homelessness among LGBTQ youth by creating systemic change through a broad continuum of advocacy, training, and education, located at 311 West 43rd Street; and

Whereas, this is the 20th Anniversary of Youth Pride Fest, held at several different locations over the years, this will be the first time the event will be held on this block of Christopher Street between Washington and Greenwich Streets; and

Whereas, Community Board 2 and more specifically, Greenwich Village, and even more specifically, Christopher Street, is the proud home of the Stonewall Rebellion of 1969, now recognized as a National Monument; and

Whereas, Community Board 2 strives to honor the legacy of the Stonewall Rebellion and the modern LGBTQ-rights movement by encouraging outreach to the most vulnerable members of the LGBTQ community; and

Whereas, Marsha B. Johnson, an activist present at the Stonewall Rebellion, and longtime fixture of Greenwich Village, commented when George Segal’s Stonewall memorial was being moved to Christopher Street, “How many people have died for these two little statues to be placed in the park to recognize gay people? How many years does it take for people to see that we’re all brothers and sisters and human beings in the human race? I mean how many years does it take for people to see that we’re all in this rat race together?”; and

Whereas, Sylvia Ray Rivera, who with Marsha Norman founded Street Transvestite Activist Revolutionaries (STAR), an activist group that for a short time operated STAR House, a halfway house for queer youth experiencing homelessness, once commented, “I am tired of seeing homeless transgender children; young, gay, youth, children. I am tired of seeing the lack of interest that this rich community has. This is a very affluent community. How can we afford to re-renovate a building for millions and millions of dollars and buy another building across the street and still not worry about your homeless children from your community?”; and;

Whereas, this event is an opportunity to, in a small way, honor the legacy of LGBTQ activism that percolated around Christopher Street and allow the young participants in this event to walk on the same street that their LGBTQ forebearers walked; and

Whereas, Community Board 2, as part of fiscal year 2019 expense budget requests, asked that the City restore and increase funds for outreach to LGBTQ youth by increasing program funding for The Door, one of the participants in this event; and

Whereas, event organizers stated that their staff will work in conjunction with the NYPD to provide security at this event and that the NYPD LGBTQ liaison will be present at the event in order to nurture constructive relationships with LGBTQ youth; and

Whereas, all of the participating organizations are volunteering their time and resources for this event and no vendor will pay any fees to participate and the event will be free and open to the public; and

Whereas, certain vendors will be offering free HIV and STD testing in mobile clinics; and

Whereas, two members of the Christopher Street Block Association appeared in opposition to this street activity permit, and all street activity permits on Christopher Street, due to the fact that there was a period of time when there appeared to be gang-related activity on Christopher Street but that any activity has since stopped due to the advocacy of the neighbors on this block; and

Whereas, the applicant stated that this event is presented in order to provide access to services and activities for young LGBTQ people that will support them in making positive life choices while providing an abundance of resources to aid them; and

Whereas, the applicant anticipates approximately 300-500 participants at the event but that would be throughout the 4.5 hours with people coming and going; now

Therefore Be It Resolved that CB2 Manhattan recommends **approval** of the **Youth Pridefest**, on July 7, 2018 on Christopher St. between Greenwich Street and Washington Street.

Friday, August 31, 2018— NYU College of Arts and Sciences Block Party, Washington Place between Greene St. and Washington Square East.

Whereas, this used to be an annual event and was last held in 2014 but construction on the block prevented the event from being produced since; and

Whereas, the block is now free from construction and two undergraduate members of the NYU CAS Student Council appeared to request recommendation of approval to produce the event this year to welcome new and returning NYU CAS students to campus and to celebrate the new school year; and

Whereas, the application is for a full street closure and the applicant plans to have university and community groups present to provide informational and support services to the NYU students as well as a DJ, bouncy house, and games; and

Whereas, the event is held from 10 AM-6 PM and the applicant expects around 500 people to pass through the event throughout the day; and

Whereas, the area was posted, community groups notified, the applicant was present, and no member of the public appeared regarding this application; and

Whereas, the applicant stated that NYU security will be on site for the duration of the event and that all efforts would be made to minimize any extraneous noise; now

Dear Ms. Tolson:

At its Full Board meeting on April 19, 2018, Community Board #2, Manhattan (CB2, Man.) adopted the following resolution:

Saturday, November 17, 2018— STONEWALL Veterans' Association: Village Fair and Expo, University Place between Waverly Place and East 14th St.

Whereas, the applicant appeared with two other members of the organization's executive committee; and

Whereas, Community Board 2 recommended denial of this event last year; notwithstanding the denial the event was permitted and on the same span of University Place last year; and

Whereas, last month, Community Board 2 recommended approval for the relocation of Pride Fest to this same span of University Place despite reservations that this span of University Place has become the default location for most all multi-block festivals within Community Board 2; and

Whereas, a representative from Village Alliance appeared last month to express the frustration he has heard from residents and especially businesses on this span of University Place as to the amount of multi-block festivals they are forced to endure every year; and

Whereas, the representative from Village Alliance stated that businesses suffer an incredible loss of revenue during these multi-block fairs; and

Whereas, this application is for a traditional Mardi Gras-produced street fair with typical vendors selling sausages, socks, t-shirts, and the like; and

Whereas, the applicant stated that some of the proceeds from this fair are used to present an annual conference where elected officials and others are invited to speak and that event costs approximately \$2,500 to produce; and

Whereas, the applicant did not indicate that any other LGBTQ organizations would be invited to participate at this event nor did the applicant indicate how any of the surplus proceeds would be used to benefit the community; now
